

Fruit Street Local Historic District Commission  
Meeting Minutes – March 16, 2023  
City Hall

The meeting was called to order at 7:00 PM.

**1. Roll Call**

Present: Kevin Wallace, Aileen Graf, Joe Carper

Absent: Maurice Southworth

**2. New Business**

The Commission reviewed the application from the owners of #4 Fruit St. to install a chimney vent cap. As the chimney is invisible from the public way when the large maple tree is leafed out, and only barely visible from a small portion of the public way during other times of the year, the Commission unanimously voted to issue a letter of non-applicability.

**3. Correspondence/Communications**

The Commission noted the prior approval of a letter of non-applicability for a mailbox to be installed at #4 Fruit St.

**4. Approval of Minutes: February 9, 2023**

As there was not a quorum of Commissioners present who had attended the February meeting, approval was continued to a future meeting.

**5. Adjournment**

Kevin made a motion to adjourn. Joe seconded the motion. All members voted in the affirmative. Motion passed.

Meeting adjourned at 7:05 PM.

Respectfully submitted, Joe Carper, Note Taker
