Sept. 16, 2014

Thomas O'Brien, President, Newburyport City Council and Alison Heartquist

The Friends of Newburyport Council on Aging request renewal of the permit to have book collection boxes at Cushing Park (Kent & Washington Sts.). We have been collecting books, DVD's, and tapes for several years. I am pleased to say these boxes provide a revenue stream for the Friends. Over time we have received about \$6500 which we intend to contribute to the city for the new Senior/Community Center as part of a larger gift.

In February, 2014, the business "Got Books" was purchased by "Recycle That" (headquartered in Colorado but with local base in Wilmington, MA). This arrangement has been far more efficient and provides two good-looking blue boxes, emptied on a regular schedule to keep surroundings in good order. Perhaps next year these boxes can be relocated to the new Center location.

We hope for approval of this request for continuing permit. Thank-you.

City Council City of Newburyport 60 Pleasant Street Newburyport, MA 01950

To Whom It May Concern:

On behalf of the National Multiple Sclerosis Society, Greater New England Chapter, I would like to extend our deep gratitude for the continuous support Newburyport has shown throughout the years for the annual Walk MS.

As we enjoy autumn, I have begun planning for the 2015 Walk MS Newburyport. This year's date is set for Saturday, April 11, from 10:00am to 3:00pm. I would like to request permission to host the Walk on this day. 650 participants are expected to take part in this annual event. The Walk is 5 miles, with the Start and Finish being held at the Cashman Park. We will be using the same route as last year, and a certificate of liability insurance will be provided upon approval of this request.

The money raised will be used to advance our support of national research and to support local programming for the nearly 19,000 people within Maine, Massachusetts, New Hampshire, Vermont and Rhode Island who are affected by multiple sclerosis. The Greater New England Chapter prides itself on our many comprehensive local programs that improve the quality of life for people with MS and their families. These programs empower individuals with MS and provide them with the resources to maintain independence.

I thank you in advance for your support and please feel free to contact me at 781.693.5154 with any questions or concerns.

Sincerely,

Emily Christian Logistics Associate

Re: Police Patrolmen Negotiations - Tentative Agreement

The following is a summary of the agreement that has been reached in principle for FY15-FY17 with the Police Patrolmen bargaining unit, New England PBA Local 30. The City has agreed to the terms contained herein, subject to appropriation by the City Council. The Local 30 voted to ratify the terms of this agreement on August 25, 2014. The Mayor and representatives from the Local 30 have signed off on these terms (see bottom of page 4 of this document).

The wage changes, including the 1.5% Cost of Living Adjustment for FY15 and the slight increase in performance evaluation pay that have been agreed to in this contract, have been accounted for in the FY15 Annual Budget under the Mayor's Office Budget Contingency, so no additional funds are needed at this time. However, depending on when currently vacant staff positions are filled and how many employees take advantage of the clothing reimbursements, a small Free Cash transfer may be required as we approach the end of the fiscal year to cover these personnel costs and the clothing allowance line item.

THE CITY AGREES IN PRINCIPLE WITH THE FOLLOWING:

1.) Article XXI, Section 7 (Page 21): Sick Leave Bank

Eliminate entirely and insert the following language:
"In extensiting circumstances, any employee may tree

"In extenuating circumstances, any employee may transfer sick time to another employee providing that the recipient has used the balance of their sick time. All such sick time transfer requests must be approved by the Mayor."

2.) Article XV, Section 12 (Page 17): Special Assignments and Outside Details

Eliminate entirely and replace with existing Section 13.

3.) Article XXVIII (Page 26-27): Duration of Agreement

New 3 year contract: July 1, 2014 - June 30, 2017

4.) Article XX (Page 18): Longevity

Remove "upon completion of 5, 10, and 15 years" sections as they are no longer applicable.

5.) Article XI, Section 3 (Page 12): Holidays

Eliminate last sentence of section that currently limits use of personal leave.

6.) Article 14: Wages (Page 14) - adjust wages as follows:

July 1, 2014	1.5%
July 1, 2015	2.0%
July 1, 2016	2.0%

7.) Article XII, Section 5 (Page 11-12): Miscellaneous Privileges

Eliminate existing language entirely and insert the following language: "All employees will participate in an annual performance evaluation process. These performance evaluations will focus on goals and objectives. The City and Union will agree to a mutually acceptable format. Effective July 1, 2014, a one-time 1.8% increase will be added to the employee's base salary in lieu of an evaluation stipend."

8.) Article 14 (Page 17): Clothing and Equipment Allowance

Change the article to read: "Effective July 1, 2014, all police officers covered by this agreement shall be granted an annual clothing and equipment allowance of \$1500. 67% of this allowance (\$1000) shall be paid in a lump sum on the second pay period in July. The remaining 33% (\$500) shall be paid by the City on a reimbursement basis upon submission of receipts for uniform and equipment purchases and/or dry cleaning."

9.) Article VIII (Page 7): Shift Pick/Seniority

Add the following language to the last sentence: "All patrol shifts will be re-bid once a year or at the Marshal's discretion."

10.) Article XXI, Section 4 (Page 20): Sick Leave

Change second paragraph to: "Employees will be allowed to accumulate up to 280 sick days during the course of their employment with the City. The City shall be

obligated to buy back up to a maximum of 50% (140 max) of accumulated sick days from an employee at their then current daily pay rate.

Add the following new paragraphs to this section:

"Employees with ten (10) or more years of service shall be eligible to buy back fifty percent (50%) of their sick leave accrual, up to a maximum of twenty-five (25) days per year, with each such day valued at ninety percent (90%) of their then current daily rate; provided, however, that employees who exercise this option must retain at least fifty (50) sick leave days of their accrued credit. Any sick leave days bought back pursuant to this section shall be deducted from the sick leave balance available for buyback upon retirement or death. The maximum sick leave buyback for each employee's entire career working for the Newburyport Police Department shall be capped at 140 days. This buyback plan is voluntary.

An employee who wishes to exercise any buyback option in the next fiscal year shall provide written notice to the Mayor and Department Head by December 1 of the fiscal year prior. An employee who gives the required notice in a timely fashion shall receive this sick leave buyback in the first full pay period of the next fiscal year. If the employee fails to give requisite notice by December 1, the City will have no obligation to make the buyback payment until the first full payroll period of the fiscal year for which the City has had the requisite notice and opportunity to budget for the necessary funds."

11.) Article XV, Section 13 (Page 17): Residency Requirements

"Pursuant to G.L. c. 150E and G.L. c. 41, § 99A, Union police officers employed by the City of Newburyport shall maintain residency anywhere within 15 miles of the furthest border(s) of the City. Union police officers employed by the City of Newburyport may live in either the Commonwealth of Massachusetts or in the State of New Hampshire so long as within the 15 mile limit. The article applies to current, active full-time Union Newburyport police officers and future full-time Union Newburyport police officers and will remain in full-force as part of the collective bargaining agreement between the City and the Union."

12.) Article XII, Section 7 (Page 12): Community Policing

Eliminate existing language and replace with the following new language regarding the filling of dispatch shifts:

"In the event that a dispatch shift is unable to be filled by dispatch staff during the months of June, July, and August, members of the NEPBA Local 30 will be hired on overtime on a one-for-one basis."

13.) Article X, Section 2 (Page 12): Vacations

Amend paragraph to read as follows:

"The CITY agrees that the implementation of the One for Two Coverage Plan (see Article XXII) will in no way effect union members' rights to choose vacation time from June 1 through August 31. During the time of one for two coverage, only one person may be out on vacation at any given time. From September 1 to May 31, two officers may be out on vacation at any given time. Vacation will not be denied to avoid the hiring of overtime."

This tentative agreement has been signed on this 11th day of September 2014, effective as of the 1st day of July 2014 upon approval of appropriation by the City Council.

About The Arc of GHN

The Arc of Greater Haverhill-Newburyport is a grassroots 501 (c) (3) nonpront founded in 1962 to advocate with and for individuals with intellectual and developmental disabilities and their families throughout the Merrimack Valley and Seacoast communities. By customizing services we optimize the development and self-discovery of the whole person, their family, and the community.

Supports and Services Offered at The Arc.

Adult Family Care (AFC): A Masshealth funded program that pays family members or non family Adult Family Care (AFC): A Massical minute property members to care for people with disabilities in a home setting

Individualized Home/Day Supports and Agency with Choice: Offering customized supports and services for people with intellectual disabilities to live and work in their community. Agency With Choice allows individuals to have an increased level of self-determination when they assume shared responsibility for the hiring and management of the employees who provide waiver services to them. The Agency With Choice model designates the consumer or their family member as the managing employer while the Agency With Choice becomes the common law employer of record. It allows individuals with intellectual disabilities and their family members to experience a greater level of self-determination as they learn new skills through the sharing of management and supervision responsibilities.

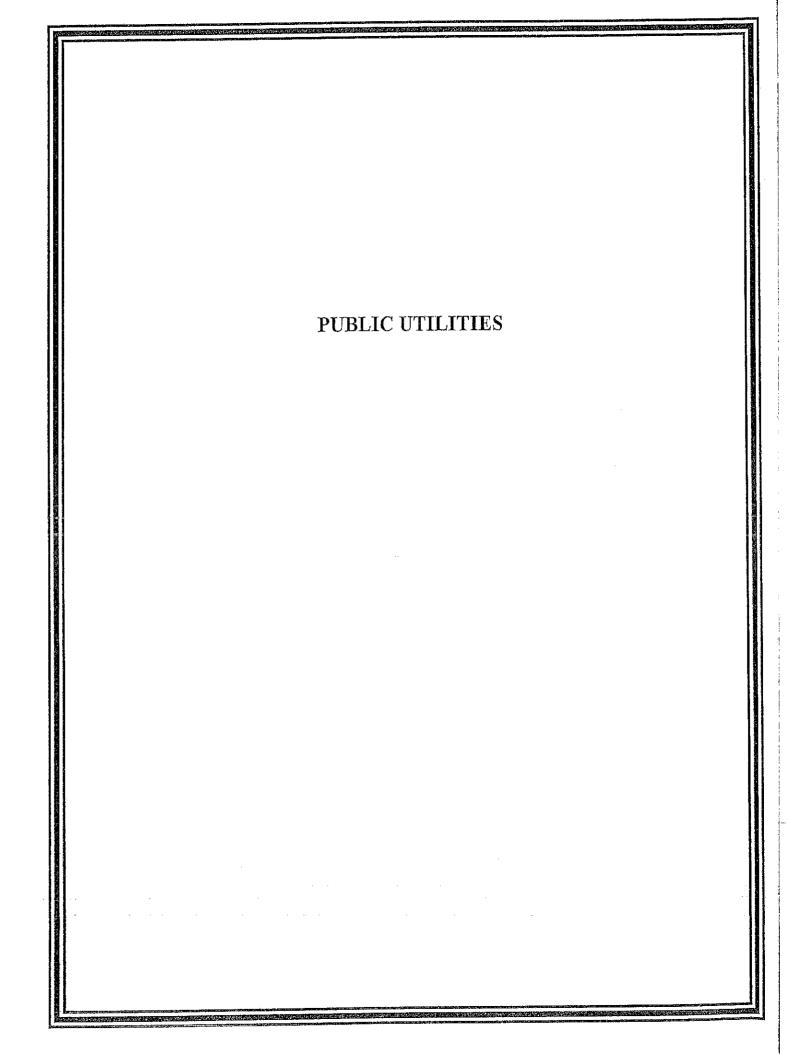

Participants must be eligible for services from The Department of Developmental Services (DDS).

Leadership and Self Advocacy training: Inforder for individuals to be in control of their own supports, they need to learn to speak up for themselves. This can happen through participation in the more formalized self advocacy movement or by every day encouragement to express what is important to them. Self Advocates learn that with the right to manage their supports comes the responsibility of follow-through. With the individual at the center of the planning process, we focus on self development, making choices, taking leadership and achieving dreams.

Representative Payee: Assists individuals with the management of their social security income.

Shared Living is people sharing their lives by living together under the same roof. A highly personalized service, Shared Living offers people with disabilities a great opportunity to choose the person(s) with whom they will live with and have a lot of control over how they will live their day-to-day lives.

Resource Consultation: Providing resources which empower people with developmental disabilities and their families and others acting on their behalf to resolve concerns and to access services. This service helps people locate available resources and refers them to appropriate services

Dear Councilor Herzog,

As you are aware, the Energy Advisory Committee, in surveying our street lights, has come up with a short list of lights that appear to be on private property for personal or business use, even though the city is paying for them. Below is a list of those lights along with their identifying information and nearest abutter. I have also attached a PowerPoint file which includes pictures of those lights. In addition, here is a Google map with a layer identifying each of the lights on a map of Newburyport: https://www.google.com/maps/@42.8141145,-70.862878,13z/data=!3m1!4b1!4m2!6m1!1szKR1ybkK6GaQ.khW7MuihTqCo and the list is below.

The energy advisory committee suggests these lights be shut off or payment be transferred to the private owners. I believe the process is for the Public Utilities subcommittee of the city council to hold a hearing on the matter. As chair of that committee, you would schedule it and make sure abutters are notified in a timely manner. I would be happy to attend and present what information I have. Thank you for your consideration.
