Coastal Trails Coalition

Newburyport City Council City Hall, Pleasant Street Newburyport MA 01950

Dear City Council:

The Coastal Trails Coalition respectfully asks the Council to consider our request to hold a Yankee Homecoming event on Pleasant Street between Green and Titcomb Streets-between City Hall and Brown Square. Our proposal is to run the Slow Bike Race fundraiser on Pleasant Street on Wednesday July 31 from 530 pm to 7:30 pm. This event is a fundraiser for the Coastal Trails Coalition and Newburyport Rail Trails, and half of the proceeds are donated to the City's Parks Department.

In each heat, four bikes ride at a time over a short length, from one end of the block to the other. The heats are 1 to 2 minutes long, so any local vehicle that needs access would require only a brief wait. In the Slow Bike Race the goal is to be the slowest without touching a foot to the ground. **Last** one across the finish line wins! 2012 was the first time the Slow Bike Race was held during Yankee Homecoming (at Cushing Park), and many participants expressed interest in being closer to downtown merchants and activities.

The Slow Bike Race has the blessing of the Yankee Homecoming Committee, in particular because Wednesday is the only day in which there is no other evening competition and our "race" is the only biking event for adults. A draft of the poster for the fundraiser is attached for your approval. Please contact Cyd Raschke at 978 462 2733 for further information.

Thank you in advance for your consideration. We look forward to hearing from you soon and to another successful Yankee Homecoming!

Sincerely,

Cyd Raschke

Event Director, Slow Bike Race Asst. Clerk, Coastal Trails Coalition

The Coastal Trails Coalition, Inc. (CTC) is an all-volunteer, non-profit organization whose mission is to assist in the development, promotion, and stewardship of the Coastal Trails Network, a 30-mile public system of bicycle and pedestrian trails connecting communities surrounding greater Newburyport.

How slow can go, go.

ORDINANCE REVIEW COMMMITTEE ORDINANCES FOR REVIEW/REVISION

Approved Dec. 6, 2012

NECESSARY REVISIONS

The committee recommends revisions to the following six items to bring them into conformance with the charter, in accordance with Section 10(6)(5) of said charter.

1) Special meetings of the City Council

The previous charter allowed special meetings to be called by either the mayor or a majority of the members of the council. The council president was not able to call such meetings.

The new charter enables both the mayor and the president of the council to call emergency meetings. It also:

- Allows the required notice of the meeting to be delivered to a councilor's place of business as an alternative to a residence.
- Requires the notice of a meeting to state the purpose or purposes
- Requires the 48-hour notice period to cover weekday hours only
- Allows for the calling of emergency meetings by the mayor or the president, which would not require 48 hours' notice. In each instance the president or the mayor is the sole judge of the emergency.

Current language in the Ordinances/Charter:

Sec. 2-29. - Special meetings.

- (a) Special meetings of the city council may be called by the mayor at any other time than that mentioned in this article by causing notices to be left at the places of residence of the council members at least forty-eight (48) hours before the time of such meeting.
- (b) Whenever a majority of the city council petitions the president of the city council, in writing, naming the day of, date of, time of and object of a special meeting of the city council, the president shall call such meeting. Notice of such

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED ZONING ORDINANCE OF THE CITY OF NEWBURYPORT

Be it ordained by the City Council of the City of Newburyport as follows:

Zoning Ordinance Amendment:

THAT the Zoning Ordinance be amended pursuant to Section XII-B "Adoption and Amendment" as follows:

Section V: Use Regulations

Insert a new section "V-G" after Section V-F (Prohibited Uses) as follows:

V-G: Temporary Moratorium on Medical Marijuana Treatment Centers

A. Purpose

By vote at the State election on November 6, 2012, the voters of the Commonwealth of Massachusetts approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law provides that it is effective on January 1, 2013 and the State Department of Public Health is required to issue regulations regarding implementation within 120 days of the law's effective date. Currently under the Newburyport Zoning Ordinance, a Medical Marijuana Treatment Center is not a permitted use in the City and any regulations promulgated by the State Department of Public Health are expected to provide guidance to the City in regulating medical marijuana, including Medical Marijuana Treatment Centers. The regulation of medical marijuana raises novel and complex legal, planning, and public safety issues and the City needs time to study and consider the regulation of Medical Marijuana Treatment Centers and address such novel and complex issues (including the potential for adverse secondary impacts from such uses or establishments in the community), as well as to address the potential impact of the State regulations on local zoning (and health regulations) and to undertake a planning process to consider amending the Zoning Ordinance regarding regulation of Medical Marijuana Treatment Centers and other uses related to the regulation of medical marijuana. The City intends to adopt a temporary moratorium on the use of land and structures in the City for Medical Marijuana Treatment Centers so as to allow the City sufficient time to engage in a planning process to address the effects of such structures and uses in the City and to enact Ordinances (or regulations) in a manner consistent with sound land use planning goals and objectives.

B. Definition

"Medical Marijuana Treatment Center" shall mean a "not-for-profit entity, as defined by Massachusetts law only, registered by the Department of Public Health, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers."

C. Temporary Moratorium

For the reasons set forth above and notwithstanding any other provision of this Zoning Ordinance to the contrary, the City hereby adopts a temporary moratorium on the use of land or structures within the City for a Medical Marijuana Treatment Center. The moratorium shall be in effect through June 30, 2014. During the moratorium period, the City shall undertake a planning process to address the potential impacts of medical marijuana in the City, consider the Department of Public Health regulations regarding Medical Marijuana Treatment Centers and related uses, and shall consider adopting new Zoning Ordinances (or regulations) to address the impact and operation of Medical Marijuana Treatment Centers and related uses within the City.
