Re: Police Patrolmen Negotiations – Tentative Agreement

The following is a summary of the agreement that has been reached in principle for FY15-FY17 with the Police Patrolmen bargaining unit, New England PBA Local 30. The City has agreed to the terms contained herein, subject to appropriation by the City Council. The Local 30 voted to ratify the terms of this agreement on August 25, 2014. The Mayor and representatives from the Local 30 have signed off on these terms (see bottom of page 4 of this document).

The wage changes, including the 1.5% Cost of Living Adjustment for FY15 and the slight increase in performance evaluation pay that have been agreed to in this contract, have been accounted for in the FY15 Annual Budget under the Mayor's Office Budget Contingency, so no additional funds are needed at this time. However, depending on when currently vacant staff positions are filled and how many employees take advantage of the clothing reimbursements, a small Free Cash transfer may be required as we approach the end of the fiscal year to cover these personnel costs and the clothing allowance line item.

THE CITY AGREES IN PRINCIPLE WITH THE FOLLOWING:

1.) Article XXI, Section 7 (Page 21): Sick Leave Bank

Eliminate entirely and insert the following language:
"In extenuating circumstances, any employee may transfer sick time to another employee providing that the recipient has used the balance of their sick time. All

such sick time transfer requests must be approved by the Mayor."

2.) Article XV, Section 12 (Page 17): Special Assignments and Outside Details

Eliminate entirely and replace with existing Section 13.

3.) Article XXVIII (Page 26-27): Duration of Agreement

New 3 year contract: July 1, 2014 – June 30, 2017

4.) Article XX (Page 18): Longevity

Remove "upon completion of 5, 10, and 15 years" sections as they are no longer applicable.

5.) Article XI, Section 3 (Page 12): Holidays

Eliminate last sentence of section that currently limits use of personal leave.

6.) Article 14: Wages (Page 14) – adjust wages as follows:

July 1, 2014	1.5%
July 1, 2015	2.0%
July 1, 2016	2.0%

7.) Article XII, Section 5 (Page 11-12): Miscellaneous Privileges

Eliminate existing language entirely and insert the following language: "All employees will participate in an annual performance evaluation process. These performance evaluations will focus on goals and objectives. The City and Union will agree to a mutually acceptable format. Effective July 1, 2014, a one-time 1.8% increase will be added to the employee's base salary in lieu of an evaluation stipend."

8.) Article 14 (Page 17): Clothing and Equipment Allowance

Change the article to read: "Effective July 1, 2014, all police officers covered by this agreement shall be granted an annual clothing and equipment allowance of \$1500. 67% of this allowance (\$1000) shall be paid in a lump sum on the second pay period in July. The remaining 33% (\$500) shall be paid by the City on a reimbursement basis upon submission of receipts for uniform and equipment purchases and/or dry cleaning."

9.) Article VIII (Page 7): Shift Pick/Seniority

Add the following language to the last sentence: "All patrol shifts will be re-bid once a year or at the Marshal's discretion."

10.) Article XXI, Section 4 (Page 20): Sick Leave

Change second paragraph to: "Employees will be allowed to accumulate up to 280 sick days during the course of their employment with the City. The City shall be

obligated to buy back up to a maximum of 50% (140 max) of accumulated sick days from an employee at their then current daily pay rate.

Add the following new paragraphs to this section:

"Employees with ten (10) or more years of service shall be eligible to buy back fifty percent (50%) of their sick leave accrual, up to a maximum of twenty-five (25) days per year, with each such day valued at ninety percent (90%) of their then current daily rate; provided, however, that employees who exercise this option must retain at least fifty (50) sick leave days of their accrued credit. Any sick leave days bought back pursuant to this section shall be deducted from the sick leave balance available for buyback upon retirement or death. The maximum sick leave buyback for each employee's entire career working for the Newburyport Police Department shall be capped at 140 days. This buyback plan is voluntary.

An employee who wishes to exercise any buyback option in the next fiscal year shall provide written notice to the Mayor and Department Head by December 1 of the fiscal year prior. An employee who gives the required notice in a timely fashion shall receive this sick leave buyback in the first full pay period of the next fiscal year. If the employee fails to give requisite notice by December 1, the City will have no obligation to make the buyback payment until the first full payroll period of the fiscal year for which the City has had the requisite notice and opportunity to budget for the necessary funds."

11.) Article XV, Section 13 (Page 17): Residency Requirements

"Pursuant to G.L. c. 150E and G.L. c. 41, § 99A, Union police officers employed by the City of Newburyport shall maintain residency anywhere within 15 miles of the furthest border(s) of the City. Union police officers employed by the City of Newburyport may live in either the Commonwealth of Massachusetts or in the State of New Hampshire so long as within the 15 mile limit. The article applies to current, active full-time Union Newburyport police officers and future full-time Union Newburyport police officers and will remain in full-force as part of the collective bargaining agreement between the City and the Union."

12.) Article XII, Section 7 (Page 12): Community Policing

Eliminate existing language and replace with the following new language regarding the filling of dispatch shifts:

"In the event that a dispatch shift is unable to be filled by dispatch staff during the months of June, July, and August, members of the NEPBA Local 30 will be hired on overtime on a one-for-one basis."

13.) Article X, Section 2 (Page 12): Vacations

Amend paragraph to read as follows:

"The CITY agrees that the implementation of the One for Two Coverage Plan (see Article XXII) will in no way effect union members' rights to choose vacation time from June 1 through August 31. During the time of one for two coverage, only one person may be out on vacation at any given time. From September 1 to May 31, two officers may be out on vacation at any given time. Vacation will not be denied to avoid the hiring of overtime."

This *tentative agreement* has been signed on this 11th day of September 2014, effective as of the 1st day of July 2014 upon approval of appropriation by the City Council.

As you can see, expenditures within the General Fund and Enterprise Funds were made within the budgetary appropriations approved by the City Council. Remaining and unrestricted appropriations from Fiscal Year 2014, totaling \$1,882,693, will be a positive factor in the Free Cash and Retained Earnings calculations as of July 1, 2014.

Once the Massachusetts Department of Revenue verifies and certifies the City's year-end financial results later this fall, funds will be available for any legal expenditure at the recommendation of the Mayor and approval of a majority vote of the City Council.

Please feel free to contact me if you have any questions.

Dear Donna,

I have recently seen several articles concerning the Waterfront Trust in our local paper. I have spoken to both Josiah Morrill and Scott Sutherland and am aware of some of the challenges facing this board. In spite of this, I am very interested in serving on this board and would like to be considered for one of the vacant positions.

I would like to speak with you about this matter and am available to stop over for a quick discussion. I have enclosed a brief resume for your information. You may reach me at home: 978-358-7027, Cell 440-552-2347 or email wsbenk@bright.net

Thank you,

Wilbur Shenk

Re:

Recommendation to amend the off leash program

Please be advised that due to the number of persistent conflicts that have come to the attention of the Parks Commission since the inception of the off leash program, and that such conflicts are potentially harmful to the general public, the Parks Commission advises that "shared use" of Cashman Park is not working. The Parks Commission voted at its September meeting to recommend elimination of Cashman Park as an off leash location.

Off leash complaints at Cashman

From the beginning we had complaints that dogs were exhibiting **pack behavior** at Cashman. I have witnessed this myself and is why I do not use the Cashman off leash area to walk my dog.

Several off-leash users themselves have asked for a barrier to the walkway at Cashman citing that it is **too** difficult to keep the dogs from crossing the walkway to run into the river and also from accosting pedestrians on the walkway. The Parks Commission looked at several alternatives and abandoned the idea of a barrier between the river walk and the off leash area based on high cost of doing so and the challenge of creating a barrier that is both truly effective and aesthetically appealing.

I receive several verbal complaints in conversation with **residents who have been inappropriately accosted by dogs at Cashman**, at the grocery store, in the park, etc. While I have not systematically documented complaints, as I knew the ACO was doing so, I have attached some emails below regarding complaints.

Re: Proposed Vote of Discontinuance for Barker Street

Dear President O'Brien:

Please accept this communication as a request for the City Council to vote for the discontinuance of an unconstructed portion of Barker Street. I submit this request on behalf of my clients. I represent Debra and Kevin Raftery, the owners of a vacant lot at 0 Harbor Street and a parcel with buildings thereon at 245 Northern Boulevard. Both of these properties are located on Plum Island. I have enclosed a site plan for your reference in this regard. (Exhibit A) As you can see, the Rafterys' properties would be contiguous but for the purported location of a paper street — Barker Street — between the two lot lines. Since there is no traveled way on the ground between the two parcels this portion is a "paper" street. (See Aerial photo attached as Exhibit B and GIS Locus Map attached as Exhibit C).

The Rafterys are hoping to reconfigure their lots to separate 0 Harbor and 245 Northern Boulevard into the lots shown on Exhibit A. They propose to build a single family home on 245 Northern Boulevard (already approved by the building department and on the site where the Oliver House once stood) and the other lot will contain the small cottage which exists now.

I have attached a draft vote for discontinuance for your utilization as well.

Thank you for your consideration. Do not hesitate to contact me if you have any questions.

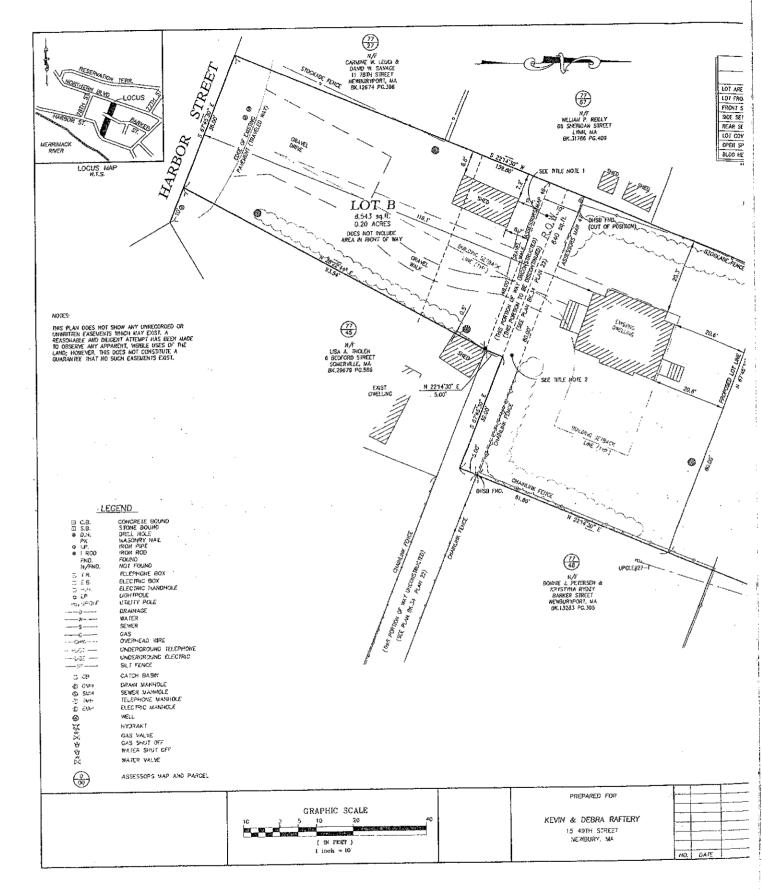

Sincerely,

Mark W. Griffi MWG
