

**City of Newburyport
Department of Public Services
Water Division
Water Treatment Plant Operator (T2)
AFSCME Union**

INTERNAL POSTING

Position: Water Treatment Plant Maintenance / Backup Operator

Position Purpose:

The purpose of this position is to be responsible for the safe and efficient operation of the water treatment plant which may entail equipment maintenance and inspection; use of laboratory testing equipment; analysis of adjustments needed to maintain water quality and record keeping. An individual in this position is also expected to perform many different types of maintenance work and manual labor. A Water Treatment Plant Operator is responsible for maintaining and improving upon the efficiency and effectiveness of all areas under his/her direction and control.

Required Qualifications:

Must have a High School Diploma or GED, with 2 years of water treatment plant operation experience; or any equivalent combination of education, experience, and training. **Must have and maintain Water Treatment License T2** through appropriate CEU classes.

Hours and Salary:

- 40 Hour Week (Rotating Shifts 7am to 3pm, 3pm to 11pm Monday – Sunday) plus required overtime
- AFSCME Union, Grade 16
- Salary dependent on experience, ranges from \$22.38/hour to \$25.56/hour

Any interested party should send cover letter and resume to Tracy Maynard, tmaynard@cityofnewburyport.com, Human Resources Director, 60 Pleasant Street, Newburyport, MA 01950 by September 29, 2015.
