## Community Kick-Off Meeting

Agenda  
City Hall Auditorium  
February 26, 2014  
6:30 p.m.

1. Welcome and Introductions  
Opening remarks from Mayor Holaday
2. What is a Master Plan?  
Overview of why communities create Master Plans and the state-mandated elements that must be included.
3. Brainstorming Session: What are Newburyport's major planning issues?  
Using the "Plan elements" as a guide, attendees will have the opportunity to voice what they believe are the major planning issues the City is currently facing.
4. Project Logistics  
Project organizers will review the anticipated project timeline, including future opportunities for public participation, from the early information-gathering stage, through drafting of plan elements to final voting and adoption by both the City and the State.
5. Next Community Meeting: "Vision for Newburyport"  
March 12, 2014 at 6:30 p.m. in the City Hall Auditorium

This meeting will focus on the "big picture" vision for the City and will include a review of 2001's Guiding Principles, Vision and Priorities, a discussion of their relevance today and how they should be modified/updated to reflect current times.
