Steering Committee

Agenda
Mayor's Conference Room
April 1, 2014
4:00 p.m.

1. Welcome
2. Subcommittee Update
Quick review of what subcommittees have met, who still need to meet, and any other update-type of information to share.
3. The Updated Plan – Information and Studies Other than the Plan Elements
The updated plan must include information and chapters in addition to the nine plan elements. The discussion will focus on what this information includes as well as responsible parties and timing.
