Review Interim Master Plan for Lower Atkinson Common

Commissioners reviewed a master plan sketch by Commissioner Turner which integrates the City's proposed striping plan for Merrimac Street with a modified reconfiguration of the Halvorson Design Partnership's Master Plan to address immediate needs for parking and playground at Lower Atkinson Common. Commissioner Turner noted that parking layout may change according to future input by City Engineer and that the playground location indicated on this plan may change.

Motion to approve plan as presented tonight by Commissioner Griffin, seconded by Commissioner Ellsworth. Roll call vote, 4Y.
