3,001 cu. ft. and over:	\$9.09 per 100 cu. ft.	\$9.09 per 100 cu. ft.
<i>Customer Service Charge</i>		
All Users:	\$18.00 per quarter	\$23.00 per quarter

Notes:

- 1. Consumption:** Accounts for the cost to distribute water and collect sewerage.
- 2. Customer Service Charge:** Accounts for the cost of keeping the system ready to serve.
- 3.** All sewer charges are based on the metered water usage at the property.
- 4.** There are ~7.48 gallons in one cubic foot, or ~748 gallons in 100 cubic feet.

**Approved per FY2016 budget at public meeting of the Joint Water and Sewer
Commissioners
On July 2, 2015**
