Re: Site Inspections

Please be advised that the City of Newburyport is working together with the firm of KRT Appraisal to perform site inspections on all residential and commercial properties within the City of Newburyport. Currently we have two men performing the site inspections. Both will have a letter of authorization from the Assessor's office to inspect all properties for the purpose of collecting and verifying data listed on our property record cards.

If you have any questions regarding this project, please call our office at **978-465-4403**.

Thank you for your cooperation with this project.
