Treasurer's Report

J. Farrell stated that the Natural Dog had donated \$500 and reported on the balance in the Mosley Woods account. The mulch that was delivered has been paid. The park still needs trash bags and paper towels. At the end of the year (6/30/12) there was a balance of \$500.

Park Maintenance

M. Bartlett reported that the park has been very busy this year. The rest room has been pumped twice already this year by Pearson's. The flag football on Saturdays has kept the park busy. There is still work to be done on the erosion near the bulletin board. The area was dug out and stone laid to repair the area. He was trying to schedule the prisoners to help out with some of the work in August. Chris Richards will be playing on July 19th the only concert this year. Other business, the dog faucet has been vandalized and needs to be repaired. Also, he was planning to remove the pine needles from the roof of the pavilion. It was discussed that in the future instead of submitting hours for work at the park that a stipend would be easier.

Document Storage

All information has been sent by L. Knight

Pavilion Reservations

L. Knight stated that the weekends have filled but not everyone has been sending in the suggested donation fee of \$45. It was discussed as to changing the wording so that more reservations would send the fee. Currently 53 checks have been received for scheduled reservations. Chris Richards will be playing and raffle items are needed for the 50/50 raffle.

Website

S. Mortimer stated the website has been updated and the concert information is current. It was suggested that wording could be added that donations to the Mosley Woods are appreciated.

Old/New Business

It was discussed as to the best way to solicit new members for the Committee. J. Farrell and L. Knight announced that they are resigning from the committee at the end of the season (November).

Meeting was adjourned at 6:50 pm.
