## Community Resource Spotlight

### Farm Share Program

Farm SHARE is a collaboration with small farms to make CSA membership more accessible across the North Shore. CSA stands for Community Supported Agriculture, and it's a way to support local farms by committing to sharing in the risks and bounty of a harvest season.

Nourishing the North Shore subsidizes a percentage of the CSA cost, using a sliding scale cost to fit your budget. If you have found signing up for a CSA share prohibitively expensive, the Farm SHARE, a collaboration between North Shore farms and Nourishing the North Shore (NNS) might be a perfect fit for you.

You must have access to reliable transportation, be willing to commit to picking up your weekly box of produce from the farm for the full season (20 weeks, June-October), agree to participate in a pre-season and post-season survey or interview, and have access to email and be willing to communicate both with NNS staff and the local farm you are paired with as needed.

Farm locations are in Newbury, West Newbury, Beverly, Ipswich, and Hamilton. Two of the farms take SNAP/HIP. Deadline to sign up is May 15<sup>th</sup>. To sign up or for more information, contact [Addy@NourishingtheNorthShore.org](mailto:Addy@NourishingtheNorthShore.org)

## SNAP & P-EBT Update

**COVID Supplements Continue!** - The president extended the federal state of emergency declaration due to COVID. This means that the SNAP COVID supplements will continue at least through the August benefit. The supplements are added to the EBT cards on the 2<sup>nd</sup> business day of the month following the month it is for, so the August benefit will be distributed on September 2<sup>nd</sup>. Whether the supplements continue after this date depends on whether the president extends the state of emergency again, which we will probably not know until around mid-July.

**P-EBT for 2021-2022** - The state will be distributing P-EBT benefits for school-aged children who were unable to attend school during the 2021-2022 school year due to COVID-related reasons. Eligible families will receive a retroactive P-EBT payment on their cards on May 25<sup>th</sup>, which covers absences from September 2021- April 2022. Payments for absences for the month of May will be distributed on June 25<sup>th</sup>, and payments for the month of June will be distributed on July 25<sup>th</sup>.

Eligible families will receive one of three P-EBT amounts per month, per student depending on the number of COVID-19 related eligible excused school absences, as determined by school districts:

- 1-5 absences: \$21 a month per student
- 6-15 absences: \$71 a month per student
- 16+ absences: \$128 a month per student

Families will continue to receive P-EBT on the same card they did in the past. If you have lost or discarded your P-EBT card, you can request a new one at <https://dtaconnect.eohhs.mass.gov/pebt>

## Volunteer Profile: Margie Larzelere

Margie Larzelere has been volunteering at the Wednesday Meal for about 5 years. She comes in every Wednesday morning with her friend Dene Turner to make delicious entrees and, since COVID started, package them for take-out. After retiring from teaching, Margie wanted to find a way to give back to the community. She saw stories about ONT's impact in the Newburyport Daily News and was impressed with the mission and focus on food security. In the future, Margie hopes to have more interaction with the ONT Guests, "It would really be full circle to see the people who receive the food I help prepare every week".

Margie grew up in Kalamazoo, Michigan in a family who valued helping others in their community. "Looking back," she says, "I see the effect this had on my teaching career. I always tried to be there for the kids in different ways." Later, she turned her energy towards volunteering at her local library and the Wednesday Meal at ONT. Margie went to Boston University and began teaching in Groveland, Massachusetts after receiving her degree. In her free time, she enjoys walking her dog, Nina, on the beach or in the woods. She likes to garden, read, watch good movies, and hang out with her daughter's family.

Margie, thank you so much for everything you do for the community!
