Re: Update to Communication of August 11, 2023

Dear Employee Permit Holders:

The Parking Advisory Committee held a meeting on August 28, 2023 to further discuss the loss of parking spaces on the Waterfront lots. The committee made the following adjustments to the temporary changes previously announced on August 11, 2023:

1. **Residential Street Parking for Employee Permit holders** - This was **DISCONTINUED** as of August 28, 2023.
2. **Employees in Green Street Lot** – The date for allowing employees into a section of the Green Street lot was **changed from September 15th to November 1st**. There will be a section of the lot near the Green Street entrance marked out for employees. This section will be available until April 1, 2024.

Reminder: employee permits, subject to availability, remain valid in the following areas:

1. Parking Garage (Titcomb Street entrance)
2. Waterfront lots East and West with the exception of the Waterfront Trust lot
3. Prince Place lot
4. Hales Court lot

Other suggestions: all day parking is available behind the Mall on Pond, Greenleaf, and Auburn Streets.

Also, please note that following the completion of the projects (approximately late Spring 2024) a substantial portion of the fenced-in area will be returned to parking.

We thank you for your continued cooperation in this matter.

Richard B. Jones, Parking Clerk
