June 20 2010

To the City Council,

The Newburyport Chamber Music Festival seeks permission to hold a one-hour free chamber music concert in Inn Street during the week of our Festival, August 13-20, 2011

The performers would be the members of the Festival String Quartet.

The date of the concert would be Tuesday, August 16 at 7-8 PM, weather permitting.

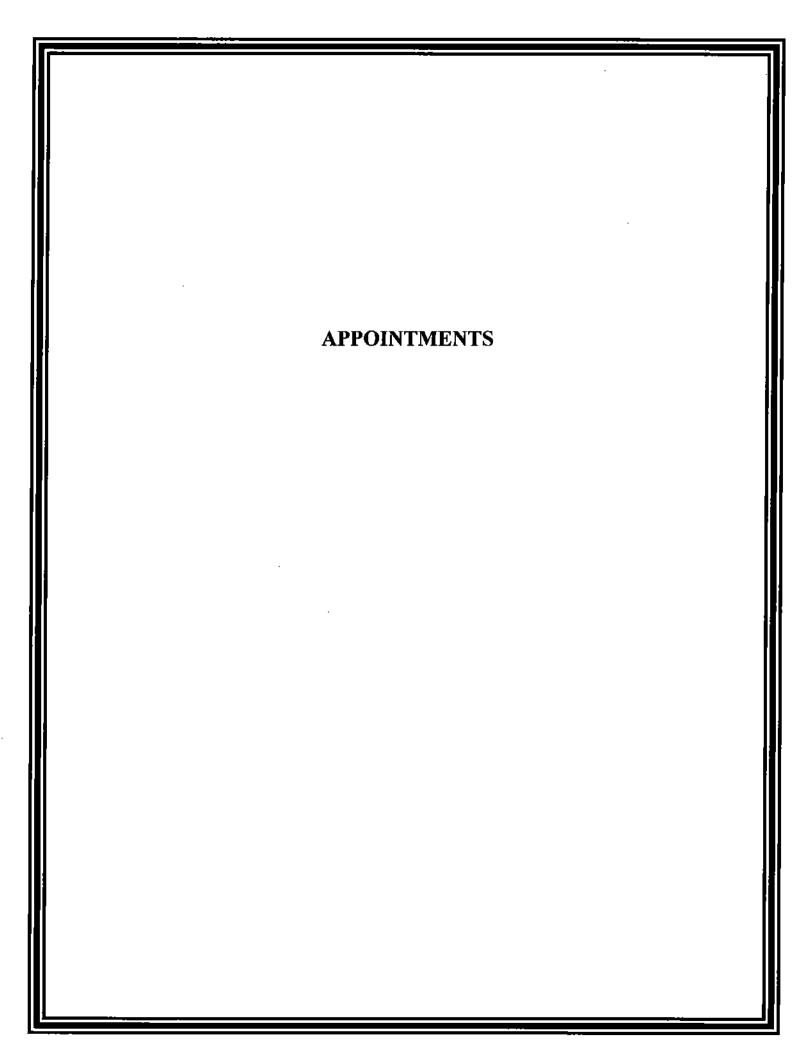

The Purple Onion restaurant allows us to use their tables and chairs; the audience provides additional chairs. After the concert volunteers from the Festival make sure the area is clean and orderly. No electricity is used. This would be the fourth year we have presented a free concert in Inn Street. This concert has become our most popular event of the week, drawing over one hundred people.

I would like to present this proposal at the City Council meeting of June 11th.

Thank you for your consideration,

Jane Niebling

RE: Special Police Appointment

I am requesting the appointment of Brian Brunault of 83 Gardner Street West Newbury as a special police officer with the Newburyport Police Department. Mr. Brunault has been a police officer for the City of Newburyport for the past thirty years and is retiring June 30th 2011. Mr. Brunault has been a dedicated officer who has proven to be valuable to our community as well as shown his professionalism in law enforcement.

The department has lost a number of its special officers due to relocation and age. The department is dependent on having an active list of special officers to help supplement our full-time force with private details and road construction.

Thank you and the City Council for your attention and support in this matter

Any questions please contact my office.

RE: Special Police Appointment

TEL: 978-462-4411 FAX: 978-462-0396 I am requesting the appointment of Edward Rice of 39 Unicorn Circle, Amesbury, MA as a special police officer with the Newburyport Police Department. Mr. Rice has been a police officer for the City of Newburyport for the past 31 years and is retiring September 10th, 2011. Mr. Rice has been a dedicated officer who has proven to be valuable to our community as well as shown his professionalism in law enforcement.

The department has lost a number of its special officers due to relocation and age. The department is dependent on having an active list of special officers to help supplement our full-time force with private details and road construction.

Thank you and the City Council for your attention and support in this matter

Any questions please contact my office.
