Agenda Items

Approval of Previous Minutes: No Action

Agenda Items are all about reviewing the Event Applications coming into the City as we reopen. All applicants are asked to give committee a 2-3 min overview of their event, and then answer any questions as the committee reviews their applications.

APP030 Car Show on 8/12/21 sponsored by Chamber of Commerce

In attendance were **Katy Ives (CoC Pres) and Wes Pettingil**.

KI stated this is a repeat of previous car shows, with some changes given that restaurants are in parklets on streets that previously used. Planned to use the Newburyport Bank back parking lot, plus additional streets. A plan was submitted.

Q” Cnclr Vogel asked about impact on abutters in Sullivan Bldg?,

Q: The NSB was looking for the City to help house employee parking when the lot shut down to stage the show? Cnclr Lane suggested they engaged IC to see if off-site parking could be arranged.

Q: Various questions about the new locations, parking on Pleasant, etc.

APP032 06-28-21 Sub 5 Racing. 10/17/21. Representing is **Chris Bernier**.

The PS Committee voted 3-0 to take this into the agenda as sort of a LATE FILE. The reason this was a clerical error by the Clerks office for not including it in the packet for 6/7. That said we will review the APP, but will not render a recommendation until after this is submitted in the 6/28 meeting packet.
Conditional Approval for applicant, however more details need to be submitted prior to 6/28 meeting.
Item not to be brought back to CC before 7/12 meeting to allow the process to catch up with itself.
