**APPT0000402** - Stephen Wallace, Waterfront Trust

Mike Sullivan from the Waterfront Trust told the committee that Mr. Wallace wasn't attending as he'd already been sworn in earlier that day.

There was a miscommunication between Mr. Wallace, the Clerk's office and the Mayor's office regarding the appointment. The committee was informed Mr. Wallace had already been sworn in that day.

Cllr. Shand, taking the fact the applicant was sworn in early, proceeded to ask for public comment to see if anyone wanted to speak on Mr. Wallace's behalf.

Public Comment:

Mike Sullivan (Waterfront Trust), stated Mr. Wallace had already been attending meetings of the WFT and they were happy to have him joining the trust.

Cllr Shand recommended bringing the nomination to the council while the error in swearing in was resolved. Cllr Shand made the motion, Cllr. Vogel seconded. Vote was 1 in favor (Shand) and 1 present (Vogel).

Committee adjourned at 5:45
