

MassDOT Project #608494 - Newbury, Newburyport, Salisbury - Resurfacing and Related Work on Route 1

What is happening?

The proposed project consists of the resurfacing of Route 1; improvements to the Newburyport Rotary; removing and disposing of existing guardrail along the mainline, and replacing it with new guardrail and end treatments; replacing all grates and covers with bolt down grates and bolt down covers; adjusting, cleaning and rebuilding drainage structures; removing and resetting granite edging; replacing all frames and grates; replacing any broken granite curb and edging; sidewalk and wheelchair ramp replacement at intersection of Route 1 and Low St./Pond St.; removing and resetting of signs; placing final pavement markings; and completing incidental items and as required by the Engineer. Bicycle accommodations consisting of a usable shoulder have been provided in accordance with applicable design guides.

How will this affect you?

Construction of the proposed project is expected to commence in June of 2022 and continue until mid-March of 2025.
