

**City of Newburyport
Department of Public Services
Civil Engineer II - Storm water**

The Department of Public Services (DPS) Engineering Division is seeking a person to provide civil engineering assistance to the City Engineer with particular focus on stormwater management. The Engineering Division provides technical assistance to the DPS and other city departments for all civil engineering-related matters including, but not limited to; water, sewer, roadway, stormwater, site development and other public works functions. The Engineering Division reports to the DPS Director and DPS Deputy Director.

This is a full-time salaried position with a schedule of Monday through Friday 7AM – 3PM. The salary \$86,000.

Please review the full job description on City of Newburyport website for more information on detailed requirements and essential functions: www.cityofnewburyport.com

Required Qualifications:

Education, Training and Experience:

- Bachelor of Science or Science Technology degree in civil engineering or related field from an ABET-accredited institution required.
- Four to six years of increasing responsible general civil/site engineering design experience in utilities, roadway/highway design, stormwater management systems, and site development preferred.
- Experience in Construction Phase Services preferred.
- Current MA Driver's License with no driving-related restrictions.

Must be able to successfully pass a CORI check.

***Any interested party should send cover letter and resume to Director of Human Resources
Newburyport City Hall, 60 Pleasant Street-PO Box 55, Newburyport, MA. 01950 or email to
