3. New Alcohol license

a. Banter Barber Shop. 23-2 (please note this does not have a prefix at the beginning of record number)

Rob Ciampitti, Jr. Esq-Liberty Law is representing Banter Barber Shop. This is a new liquor license, pour application for a club license. The owner and founder Eric Eramo_They went in front of the Planning board and has received a special permit before they could talk about a liquor application. This would be the first alcohol service and license that would occupy only the front, most State St portion of their retail section. This is the only area they are seeking to serve alcohol for patrons waiting for haircuts, services and shopping. This will not be a bar or restaurant but adding an innovative use of adding the hospitality of alcoholic beverage service. Hope is this will trigger additional patrons to come in and enjoy. Concerns from the board has been since a bartender will not be serving the alcohol, who will be monitoring the serving of alcohol to underage patrons or intoxicated patrons walking in. It has been explained this is a single position space, where the checkout counter is shown in diagram. The alcohol will be served by one of the managers/Principals/owners Eric and Tom Eramo._Store closes almost every day by 8pm. Owners are NOT Tipp certified yet. It was discussed by the board to have one Tipp Certified bartender attending bar. Stress that no one can walk off the street and get a drink. The owners want to educate the public and know they can only get a drink if they are in for services or shopping. This does not mean they have to buy something. The license will not reflect this. Outdoor seating is not included.

Bruce Bergwall makes a motion to approve, Ted Waldron second the motion.

Change of Manager

Neptune Veteran's Firemen's Association – LIC-23-42 Representing is Kevin Parseghian

Kevin Parseghian represented a change of manager for the Neptune Veteran's Firemen Association from William J. Anderson to Charlie LeBuff. All ABCC paperwork has been submitted. The Neptune has been under a new administration. This is the second year Charlie LeBuff has been acting as bar manager. Charlie LeBuff has experience serving and managing the bar for several years. He is TIPP certified. One person has to be listed as the manager. The board consist of 5 board members.

Ted Waldron makes a motion to approve, Bruce Bergwall seconded the motion.
