

Bartlet Mall Commission
Meeting Agenda
September 15, 2016
Newburyport Public Library, Children's Activity Room
6:00 pm to 7:00 pm

1. Call to order
2. Update on Frog Pond Clean-up and Grant
3. Maintenance Issues and Updates:
 - Conduct a general discussion of maintenance at the Mall. Is it time to advocate for the Mall at a Parks Commission meeting? What would we expect to achieve in doing this? What points would we cover?
 - Where do we stand on removal of old willow roots for new donated FoNT shade tree?
 - Fountain Repair?
 - What should we plan now for the spring? For example, wildflower seeds with milkweed for butterflies? Do Kim and Lise have any news on daffodil plantings?
4. "Old Newburyport Day" at Bartlet Mall. Do we want to try again next fall or is there a different type of event we would like to try? If Old Newburyport Day sounds best, we will need to start lining up historical reenactors now.
5. Any additional items for discussion.
6. Adjourn
