Dave,

I apologize but I won't be able to get you a letter today. Please accept this email as BMF's concurrence with the use of the ALZ during your helipad closure.

I will provide a letter tomorrow.

All,
I need to have a letter of support for the ALZ and the reconfigured site at AJH by 11 today so Andrew Port can get this in the packet for the City Councilors for their meeting tonight. This is the last piece of the puzzle we need for approval.

Thank you,

Dave

I am working on it. I hope to have everything to you on Monday by noon.

For everyone's clarification, your letter needs to state your approval of the temporary landing zone as well as your approval of the future landing zone at AJH. Emailed letters to this email group would be perfect.

Thank you,

Dave

Just getting back to the group about the temporary landing zone.

BMF conducted a test landing and departure from the temporary landing zone proposed at the end of Perry Way. We've determined that we can safely use this landing zone during the AJH construction.

Dave: please let us know when your helipad will be going out of service.

Chief Bradbury: our Communications Director will be in touch with you to designate Perry Way as a Newburyport LZ.

Thanks to all of you for working with Boston MedFlight to find this solution.

Sincerely,
...rick

Out by our valet area.

If you coming from Low St. and up Wallace Bashaw Jr Way, keep going straight and you'll see a big white column awning.

Thank you
