ANNUAL OPERATIONAL REPORT

TO: The Honorable City Council Members

FROM: Brett Murphy, Whittier Representative
Joseph Haberland, Whittier Representative
Maureen Lynch, Superintendent

Whittier offers 23 vocational technical career areas designed to provide the necessary training and skills for further education or work force success.

Whittier's academic program is designed to offer students the fundamental skills through its core curriculum in English, Math, Science and Technology, Social Studies, World Languages, Physical Education/Health, and Elective subjects. Courses are aligned with the Massachusetts Curriculum Frameworks in order to achieve success on the MCAS.

Courses are offered in a sequential format and are integrated with the vocational-technical areas, wherever practicable and mutually beneficial. All academic courses offer advanced sections for students who desire to further their education. We offer honors courses in English, science, and math to lead toward advanced placement courses. Moreover, a Tech Prep program is offered to eleventh and twelfth grade students which parallels the College Prep program and provides students with the opportunity to earn college credit and/or advanced college placement.

Since all programs are open to all genders, we encourage our students to explore and to specialize in non-stereotyped, non-traditional vocational-technical areas and to strive for the maximum realization of their goals and potential.

Whittier Regional Vocational Technical High School is entering its forty ninth year. To date we have graduated 12,751 students from the day school.

The enrollment for the Evening School from Newburyport: 11
