Hi, my name is Jeff Gordon. I am working with the Newburyport Boy Scout troop 251 on a fundraising project. With the help of approximately 40 Newburyport businesses we have put together a Newburyport version of the classic board game Monopoly. We would like to sell the Newburyport-opoly board games at the 12/2 , 12/9 and 12/16 invitation nights. The Scouts would like to set up 2 table for each of the three nights, the first table at market square and the 2nd table on Inn St. There is a chance that the games will not arrive for the 12/2 invitation date, in this case we would not need to set up tables.

The scouts will be selling the games for \$25.00 each and 100% of the profits will go directly to troop 251. Please let me know if you have any questions or need any additional information.
