Muscular Dystrophy Support Letter

Mr. Jones,

This letter is to acknowledge that the Newburyport Fire Department Supports the Firefighters of Local 827 Annual "Fill the Boot drive" in Market Square during Thursday, Friday and Saturday of Yankee homecoming and therefore request permission from the City Council.

This is a long-standing tradition of fund raising for such a worthy cause. We look to continue this tradition on August 3, 4 and 5 from 10 am-4 pm.

As always, we thank you for your support of this continued event.

Barry Salt
