Addendum to Our Application for Outdoor Dining

By way of this letter, I am proposing an alternative to the plan that is included with this application. The plan included in our application is the same plan that was approved last year.

In 2021, Craig Holt representing the Newburyport Licensing Commission, asked if we would be willing to extend our platform seating instead of having sidewalk seating.

Specifically, he suggested we extend our platform seating in front of the two stores adjacent to us (Cuckoo's Nest and Annie's), and not have any sidewalk seating in front of our restaurant.

I spoke with both shop owners and they were willing to go along with this plan as long as there is access for people to cross the street without going to the corner. In order to accomplish this, there would be space left between our outdoor dining platform and the platform used by Angie's Restaurant.

There would be no net gain or loss of seats or tables.

We would be happy to go along with whatever the Commission and Council feels is the better alternative.

All table must be 60" apart for wheel chair turning
All tables must be ADA compliant
27-34" tall
18" clear under table
