APPL 115 Winter Shanties behind Custom House 12/4-3/5

Applicant was not present

Committee reviewed appl. Forms in order, no Ins Cert. Discussion about not the right time/place. Proposed site is at mouth of Rail Trail behind CHMM. No supporting doc from CHMM, Public Bathrooms at Harbor Master closed for season, no lighting, no heat, in the way of snow plow IF we get a big winter. Eventually the shanty program will end...we're investing 3.6m in Park, not to park shanties on lawn.

Committee: Vote to bring to council with NO Recommendation. Approve 2-0.

COMM454 Ltr from resident on Cherry St...asking for Not a Thru Way sign

ORDR 396 Cherry St Signage

COMM was a LTR from resident, ORDR was a request for signage.

Seems large volume of folks turning around at dead end, creating safety concerns. Feel sign will alleviate this.

PUBLIC COMMENT: Owen Smith...suggests we work to standardize our signage...for e: Dead End or Not a through Way. Sees inconsistencies throughout City.

Committee: Vote to R/F Comm, and Approve Order 2-0

ORDR 387 Signage on Forrester

Upon further review by resident, request is being

Committee: Vote to R/F 2-0

APPL XXX Chamber – Truck parking by Visitor Center

Late APPL cause by some confusion Chamber asking to park a retro-pick up truck with holiday signs at the closed visitor center Truck used as decoration and pictures. Ins form suggested, although truck has ins.

Committee: Vote to Approve 2-0
