

*You're invited!*

# PUBLIC MEETING no. 2

Presentation on Draft Recommendations to Configure & Improve Beach Access on Plum Island Point

The City of Newburyport invites you to attend our second public meeting to discuss beach access and erosion issues on the north end of Plum Island. At this meeting, the Project Team will present their draft recommendations on how to reconfigure beach access in the area of Reservation Terrace to protect public safety, reduce erosion, and ensure suitable beach access for residents and visitors alike.

***This is your opportunity to provide input, ask questions, and make your voice heard!***
