RE: 10 Sylvester St. , July 13 Special Permit Application

Dear Chair and Members of the Board,

I am writing this letter in support of Stephen and Jodi Paciulan's renovation plans for 10 Sylvester St.

I have lived at 3 Sylvester St. since the 1980's when Steve's parents owned the home at 10 Sylvester St. The home is now owned by Steve and Jodi. It is nice to see the home stay in the family and to see them raise their family in the home that Steve grew up in.

I have reviewed the plans with them. Their plan will add and enhance the neighborhood. I totally support their plans for their family home.

I look forward to this plan being approved and the renovations starting. Their new home will be a welcome addition to the neighborhood.

Thank you.
