RE: 143 Crow Lane

Dear Chair and Members of the Board;

I am an abutter to the property noted above. I have been provided with plans which show the proposed addition to the existing structure, including the construction of an attached garage. I am not opposed to the proposed addition. I do not believe it will be substantially more detrimental to the neighborhood than what currently exists. Indeed, I think, given the plans I have reviewed, the addition will be in keeping with the existing structure and neighborhood. I also do not think the applicants would be receiving a special privilege if the Board grants a Special Permit for the project.

Sincerely,
