

PRESERVATION RESTRICTION AGREEMENT

between

**SAMUEL KIMBALL a/k/a SAMUEL BARTOW KIMBALL
AND
MICHELLE C. KIMBALL a/k/a MICHELLE CHRISTINE KIMBALL**

and the

CITY OF NEWBURYPORT, MASSACHUSETTS

BY AND THROUGH THE NEWBURYPORT HISTORICAL COMMISSION

THIS PRESERVATION RESTRICTION AGREEMENT is made this ___ day of _____ 2022 by and between Samuel Kimball a/k/a Samuel Bartow Kimball and Michelle C. Kimball a/k/a Michelle Christine Kimball of 344 Merrimac Street, Newburyport, Massachusetts. 01950 (“**Grantor**”), and the CITY OF NEWBURYPORT (“**Grantee**”), a municipality duly organized under the laws of the Commonwealth of Massachusetts and located in Essex County, Massachusetts, to be administered, managed and enforced by its agent, the NEWBURYPORT HISTORICAL COMMISSION, located at 60 Pleasant Street, Newburyport, Massachusetts, 01950 (“**Commission**”),

WHEREAS, the Grantor is the owner of certain real property located 344 Merrimac Street, Newburyport, Massachusetts, referred to as “**the Property**” and containing about 14,373 square feet, more or less, comprising the Property conveyed to the Grantor by deeds recorded in the Essex South District Registry of Deeds in Book 40515, Page 295 and in Book 38650, Page 527 and more particularly described in Exhibit A incorporated herein by reference and attached hereto, said Property improved by a building thereon known as the Levi Carr House and is referred to hereinafter as “**the Building**”, described as follows:

This two-story house with pitched roof and symmetrical, five bay façade, is an excellent example of the vernacular architecture built in Newburyport around the turn of the nineteenth century. Noteworthy features of the house include a large central chimney, simple Federal cornice molding, and unusual, eared window lintels. The doorway is characteristic of the period.

The Building is further depicted and described in Exhibit D incorporated herein and attached hereto by reference; and

WHEREAS, the cultural, historical and architectural significance of the Building emanates from its construction around 1805 and its location as a contributing property within the Newburyport Historic District, designated August 2, 1984 and listed on State and National Registers of Historic Places. The Building is important for its associations with the social and religious history of Newburyport, and to the public’s enjoyment and appreciation of Newburyport’s architectural and historical heritage; and

WHEREAS, Grantor and Grantee recognize the architectural, historic, and cultural values (hereinafter “**preservation values**”) and significance of the Building and the Property, and have the common purpose of preserving the aforesaid preservation values and significance of the exterior of the Building and the Property; and

WHEREAS, the preservation values of the Building and the Property are documented in a series of photographs and documents (hereinafter, “**Baseline Documentation**”) incorporated herein and attached

hereto as by reference as Exhibit D, which Baseline Documentation the parties agree provides an-accurate representation of the Building as of the date of this grant; and

WHEREAS, the Baseline Documentation (Exhibit D) shall consist of the following:

1. A set of thirty-four (34) exterior photographs of the Buildings taken in February of 2022;
 - a. Photos 1 - 4: Setting
 - b. Photos 5 – 6; View northeast showing the principal façade and foundation
 - c. Photo 7: View northeast showing chimney on main block
 - d. Photo 8: View northeast showing principal façade and detail of cornice
 - e. Photo 9: View northeast showing detail of main entry
 - f. Photos 10-11: View northeast showing first and second floor windows
 - g. Photo 12: View northeast showing detail of foundation and basement window
 - h. Photo 13: View southwest showing northwest elevation
 - i. Photos 14-15: View southeast showing northwest elevation detail of corner board, fascia, return at gable and typical window
 - j. Photo 16: View southwest showing detail of foundation to ell and basement windows
 - k. Photo 17: View north showing southeast elevation from the west end
 - l. Photo 18: View northwest showing southeast elevation from the east end
 - m. Photo 19: View north showing southeast elevation with detail of enclosed porch
 - n. Photos 20-21: View northwest showing southeast elevation showing detail of second floor windows and of entry at east end
 - o. Photos 22-25: View southwest showing the rear elevation with detail of the northeast addition, the central bays on the first and second floors
 - p. Photo 26: View northwest showing southeast face of rear ell
 - q. Photo 27: View northwest showing chimneys on roofs of main block and addition
 - r. Photos 28-34: Views of non-historic outbuildings and the rear yard
2. Newburyport Assessors' Parcel Map with Building Footprint; and

WHEREAS, the Building is in need of preservation and restoration; and

WHEREAS, the preservation of the Building is important to the public for the enjoyment and appreciation of its architectural and historical heritage and serves the public interest in a manner consistent with the purposes of Massachusetts General Laws, Chapter 184, Sections 31, 32 and 33 (“Act”); and

WHEREAS, the Commission is authorized to accept preservation restrictions in the name of the City of Newburyport and the Commission is a governmental body duly organized under the laws of the Commonwealth of Massachusetts, including the General Laws, Chapter 40C, authorized and directed by the Grantee to manage the Property and Buildings burdened by such restrictions, consistent with the provisions of the Act and to administer and enforce this preservation restriction;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor does hereby irrevocably grant and convey to the Grantee in gross in perpetuity this Restriction over the Property and exterior of the Building to be administered, managed and enforced by the Commission.

1. Purpose: It is the Purpose of this Restriction to assure that, the architectural, historic, and cultural features of the exterior of the Buildings will be retained and maintained forever substantially in their

current condition or in a restored condition approved by the Commission for preservation purposes and to prevent any use or change of the Property or the exterior of the Building that will significantly impair or interfere with the Building's preservation values or alter views of the exterior of the Building.

2. Preservation Restriction: The Grantor grants the Grantee the right to forbid or limit:

- a. any alteration to the appearance, materials, workmanship, condition or structural stability of the Building unless (i) clearly of minor nature and not affecting the characteristics which contribute to the architectural or historical integrity of the Building and the Property, or (ii) the Grantee has previously determined that it will not impair such characteristics after reviewing plans and specifications submitted by Grantor in accordance with the requirements of paragraph 7, which determination shall not be unreasonably withheld, or (iii) required by casualty or other emergency promptly reported to Grantee in accordance with the requirements of paragraph 9. For the purposes of this Agreement, interpretation of what constitutes alterations of a minor nature and ordinary maintenance and repair is governed by the Restriction Guidelines, which are attached hereto as Exhibit E and hereby incorporated by reference.
- b. any other act or use that may be harmful to the historic preservation of the Building or the Property.

3. Grantor's Covenants: Covenant to Maintain. Subject to Paragraph 2 and the terms and conditions of this Restriction and such other terms and conditions as the Commission may reasonably impose to accomplish the purposes of this Restriction, the Grantor covenants and agrees at all times to maintain the Building, including the maintenance/preservation of the entire central chimney from the basement (within the structure) to its termination above the roofline, in the a good structural condition. Grantor's obligation to maintain shall require replacement, repair, and reconstruction by Grantor whenever necessary to preserve the exterior of the Building. Subject to the casualty provisions of paragraphs 9 and 10, this obligation to maintain shall require replacement, rebuilding, repair, and reconstruction of the Building whenever necessary in accordance with the policies and procedures of the Commission and in accordance with The Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings (36 CFR 67 and 68), as these may be amended from time to time (hereinafter the "Secretary's Standards").

4. Grantor's Covenants: Prohibited Activities. The following acts or uses are expressly forbidden except as otherwise conditioned in this paragraph:

- a. the Building shall not be demolished, removed, or razed except as provided in Paragraphs 9 and 10;
- b. the dumping of ashes, trash, rubbish, or any other unsightly or offensive materials is prohibited on the Property near the Building;
- c. no above-ground utility transmission lines, except those reasonably necessary for the existing Building, may be created on the Property, subject to utility easements already recorded;
- d. no additions and/or outbuildings may be attached to the Building without prior approval of the Grantee; and
- e. moving the Building to another location shall be forbidden without prior approval of the Commission.

5. Conditional Rights Requiring Grantee Approval: Subject to Paragraph 4 and the terms and conditions of this Restriction and such other terms and conditions as the Commission may reasonably impose to accomplish the purposes of this Restriction, the Grantor shall not alter the Building without prior express written approval of the Commission. Without said approval Grantor shall not make any changes to the Building, including the alteration, partial removal, construction, remodeling, or other physical or structural change, including permanent signs, and any change in material or color or any change to the footprint, size, mass, ridge-line, and rooflines of the Building. Grantor shall similarly, other than landscaping elements less than 36 inches in height, not make any alterations to the surrounding Property that would obscure the current view of the Building, such as the installation of permanent signage or trees or very large shrubs without approval of the Commission.

Activities by Grantor to maintain the Building and the Property which are intended to be performed in accordance with the provisions of paragraph 4.1, and which are of a minor nature, shall not require the prior approval of the Commission. For the purposes of this section, interpretation of what constitutes ordinary maintenance of a minor nature is governed by the Restriction Guidelines (Exhibit E), which are attached to this Agreement and hereby incorporated by reference.

6. Grantor's Reserved Rights Not Requiring Further Approval by the Grantee: Subject to the provisions of paragraphs 2 and 4.2, the following rights, uses, and activities of or by Grantor on, over, or under the Property are permitted by this Restriction and by the Commission without further approval by the Commission:

- a. the right to engage in all those acts and uses that:
 - (i) are permitted by governmental statute or regulation;
 - (ii) do not substantially impair the preservation values of the Building and Property;
 - (iii) are not inconsistent with the Purpose of this Restriction; and
 - (iv) are listed in the Grantor's Proposed and Granted Changes and more particularly described in Exhibit F.

- b. pursuant to the provisions of Paragraph 4.1, the right to maintain and repair the Building strictly according to the Secretary's Standards. As used in this sub-paragraph, the right to maintain and repair shall mean the use by the Grantor of in-kind materials and colors, applied with workmanship comparable to that which was used in the construction or application of those materials being repaired or maintained, for the purpose of retaining in good condition the appearance and construction of the exterior of the Building. The right to maintain and repair as used in this sub-paragraph shall not include the right to make changes in appearance, materials, workmanship from that existing prior to the maintenance and repair without the prior approval of the Commission in accordance with the provisions of Paragraph 5;

7. Review of Grantor's Requests for Approval: Grantor shall submit to the Commission for the Commission's approval of those conditional rights set out at Paragraphs 2 and 5 two copies of information (including plans, specifications, and designs where appropriate) identifying the proposed activity with reasonable specificity. In connection therewith, Grantor shall also submit to the Commission a timetable for the proposed activity sufficient to permit the Commission to monitor such activity. Within forty-five (45) days of the Commission's receipt of any plan or written request for approval hereunder, the Commission shall certify in writing that (a) it approves the plan or request, or (b) it disapproves the plan or request as submitted, in which case the Commission shall provide Grantor with written suggestions for modification or a written explanation for the Commission's disapproval. Any failure by the Commission to act within forty-five (45) days of receipt of Grantor's submission or resubmission of

plans or requests shall be deemed to constitute approval by the Commission of the plan or request as submitted and to permit Grantor to undertake the proposed activity in accordance with the plan or request submitted, so long as the request sets forth the provisions of this section relating to deemed approval after the passage of time.

8. Standards for Review: In exercising any authority created by this Restriction to inspect the Building; to review any construction, alteration, repair, or maintenance; or to review casualty damage or to reconstruct or approve reconstruction of the Building following casualty damage, the Commission shall apply the Secretary's Standards.

9. Casualty Damage or Destruction: In the event that Building or Property shall be damaged or destroyed by fire, flood, windstorm, hurricane, earth movement or other casualty, Grantor shall notify the Commission in writing within fourteen (14) days of the damage or destruction, such notification including what, if any, emergency work has already been completed. No repairs or reconstruction of any type, other than temporary emergency work to prevent further damage to the Building and Property and to protect public safety, shall be undertaken by Grantor without the Commission's prior written approval of the work. Within one hundred twenty (120) days of the date of damage or destruction, if required by the Commission, Grantor at its expense shall submit to the Commission a written report prepared by a qualified restoration architect and an engineer who are acceptable to the Grantor and the Commission, which report shall include the following:

- a. an assessment of the nature and extent of the damage;
- b. a determination of the feasibility of the restoration of the Building and/or reconstruction of damaged or destroyed portions of the Building; and
- c. a report of such restoration/reconstruction work necessary to return the Building to the condition existing at the date hereof or the condition subsequently approved by the Commission.

10. Review After Casualty Damage or Destruction: If, after reviewing the report provided in Paragraph 9 and assessing the availability of insurance proceeds after satisfaction of any mortgagee's/lender's claims under paragraph 11, Grantor and the Commission agree that the Purpose of the Restriction will be served by such restoration/reconstruction, Grantor and the Commission shall establish a schedule under which Grantor shall complete the restoration/reconstruction of the Building in accordance with plans and specifications consented to by the parties up to at least the total of the casualty insurance proceeds available to Grantor.

If, after reviewing the report and assessing the availability of insurance proceeds after satisfaction of any mortgagee's/lender's claims under paragraph 11, Grantor and the Commission agree that restoration/reconstruction of the Building is impractical or impossible, or agree that the Purpose of the Restriction would not be served by such restoration/reconstruction and Grantor may, with prior written consent of the Commission, alter, demolish, remove or raze the Building, and/or construct new improvements on the Property, Grantor and Grantee may agree to extinguish this Restriction in accordance with the laws of the Commonwealth of Massachusetts and paragraph 23 hereof.

If, after reviewing the report and assessing the availability of insurance proceeds after satisfaction of any mortgagee's/lender's claims under paragraph 11, Grantor and the Commission are unable to agree that the Purpose of the Restriction will or will not be served by such restoration/reconstruction, the matter may be referred by either party to binding arbitration and settled in accordance with the Commonwealth of

Massachusetts arbitration statute then in effect, and all other applicable laws, rules, regulations, and ordinances. Arbitrator shall have experience in historic preservation matters.

11. Insurance: Grantor shall keep the Building insured by an insurance company rated “A-1” or better by Best’s for the full replacement value against loss from the perils commonly insured under standard fire and extended coverage policies and comprehensive general liability insurance against claims for personal injury, death and property damage. Property damage insurance shall include change in condition and building ordinance coverage, in form and amount sufficient to replace fully the damaged Building without cost or expense to Grantor or contribution or coinsurance from Grantor. Grantor shall deliver to the Commission, within ten (10) business days of the Commission’s written request thereof, certificates of such insurance coverage. Provided, however, that whenever the Property is encumbered with a mortgage or deed of trust nothing contained in this paragraph shall jeopardize the prior claim, if any, of the mortgagee/lender to the insurance proceeds.

12. Indemnification: Grantor hereby agrees to pay, protect, indemnify, hold harmless and defend, at its own cost and expense, Grantee, its boards, commissions, appointees, agents, directors, employees, or independent contractors from and against any and all claims, liabilities, expenses, costs, damages, losses and expenditures (including attorneys’ fees and disbursements hereafter incurred) arising out of or in connection with injury to or death of any person as a result of the existence of this Restriction; physical damage to the Building; the presence or release in, on, or about the Property, at any time, of any substance now or hereafter defined, listed, or otherwise classified pursuant to any law, ordinance or regulation as a hazardous, toxic, polluting or contaminating substance; or other injury or other damage occurring on or about the Building; unless such injury, death, or damage is caused by Grantee or its boards, commissions, appointees, agents, directors, employees, or independent contractors. In the event that Grantor is required to indemnify Grantee pursuant to the terms of this paragraph, the amount of such indemnity, until discharged, shall constitute a lien on the Property with the same effect and priority as a mechanic’s lien.

13. Written Notice: Any notice which either Grantor or Grantee may desire or be required to give to the other party shall be in writing;

Grantor: Samuel B. Kimball
Michelle C. Kimball
344 Merrimac Street
Newburyport, MA 01950

Grantee: City of Newburyport
c/o Newburyport Historical Commission
City Hall
60 Pleasant Street
Newburyport, MA 01950

Each party may change its address set forth herein by a notice to such effect to the other party.

14. Evidence of Compliance: Upon request by Grantor, Grantee shall promptly furnish Grantor with certification that, to the best of Grantee’s knowledge, Grantor is in compliance with the obligations of Grantor contained herein, or that otherwise evidence the status of this Restriction to the extent of Grantee’s knowledge thereof.

15. Inspection: With the consent of Grantor, Grantee or its representatives shall be permitted at reasonable times to inspect the Buildings and the Property on an annual basis. Grantor covenants not to withhold unreasonably its consent in determining dates and times for such inspections.

16. Grantee's Remedies: The Grantor, for itself, its assigns and successors, expressly acknowledges that a violation of this Preservation Restriction Agreement may result in the Commission exercising its right to enforce the terms and conditions of the Restriction by seeking appropriate legal and equitable relief, including, but not limited to, restoration of the Building and such other legal and equitable remedies as may be available to the Commission to effectuate the purposes of this Restriction and to enforce the Grantor's obligations hereunder.

In the event Grantor is found to have violated any of its obligations, Grantor shall reimburse Grantee for any costs or expenses incurred in connection with Grantee's enforcement of the terms of this Restriction, including all court costs, and attorneys', architectural, engineering, and expert-witness fees. Grantor shall, at its own expense and with approval of Commission, reverse any actions or activities which violated this restriction and altered the Building.

Nothing in this Restriction shall impose upon the Commission any duty to maintain or require that the Building be maintained in any particular state or condition, notwithstanding the Commission's acceptance hereof Enforcement of the terms of this Preservation Restriction shall be at the discretion of the Commission. Any election by the Commission as to the manner and timing of the exercising of its right to enforce this Preservation Restriction or otherwise exercise its rights hereunder shall not be deemed or construed to be a waiver of such rights. By its acceptance of this Preservation Restriction, the Commission does not assume any liability or obligation relating to the condition of the Building or the Property, including compliance with hazardous materials or other environmental laws and regulations.

17. Notice from Government Authorities: Grantor shall deliver to Grantee copies of any notice of violation or lien relating to the Buildings or Property received by Grantor from any government authority within five (5) days of receipt by Grantor. Upon request by Grantee, Grantor shall promptly furnish Grantee with evidence of Grantor's compliance with such notice or lien where compliance is required by law.

18. Notice of Proposed Sale: Grantor shall promptly notify Grantee in writing of any proposed sale of the Property and provide the opportunity for Grantee to explain the terms of the Restriction to potential new Grantors prior to sale closing.

19. Runs with the Land: Except as provided in Paragraphs 9 and 10, the restrictions, obligations and duties set forth in this Restriction shall run with the Property and shall inure to the benefit of the Commission and all parties claiming by, through or under the Commission and shall bind the Grantor and all parties claiming by, through or under the Grantor. The rights hereby granted to the Commission constitute the perpetual right of the Commission to enforce this Preservation Restriction Agreement. The Grantor hereby covenants for itself to stand seized and hold title to the Property subject to the terms of this Restriction. This Restriction shall extend to and be binding upon Grantor and Grantee, their respective successors in interest and all persons hereafter claiming under or through Grantor and Grantee, and the words "Grantor", "Grantee" when used herein shall include all such persons. Any right, title, or interest herein granted to Grantee also shall be deemed granted to each successor and assign of Grantee and each such following successor and assign thereof, and the word "Grantee" shall include all such successors and assigns.

Anything contained herein to the contrary notwithstanding, Grantor of the Property shall have no obligation pursuant to this instrument where such Grantor shall cease to have any ownership interest in

the Property by reason of a bona fide transfer. The restrictions, stipulations and covenants contained in this Restriction shall be inserted by Grantor, verbatim or by express reference, in any subsequent deed or other legal instrument by which Grantor divests itself of either the fee simple title to or any lesser estate in the Property or any part thereof, including by way of example and not limitation, a lease of all or a portion of the Property.

20. Assignment: Grantee may convey, assign, or transfer this Restriction to a unit of federal, state, or local government or to a similar local, state, or national charitable corporation or trust that qualifies under the Act, and whose purposes, inter alia, are to promote preservation of historical, cultural, or architectural resources, provided that any such conveyance, assignment or transfer requires that the Purpose for which the Restriction was granted will continue to be carried out. Grantor shall give prior written approval of such conveyance, assignment, or transfer by Grantee, such approval not to be unreasonably withheld.

21. Alternate Designee: Grantee may, at its discretion, remove and replace the Commission as its designee to administer, manage, and enforce this Restriction, provided that any new designee is qualified as such under the Act and other applicable law.

22. Recording and Effective Date: Grantee shall do and perform at its own cost all acts necessary to the prompt recording of this Restriction which shall become effective upon its being duly executed by the Grantor, the City of Newburyport, and the Newburyport Historical Commission, its being approved by the Massachusetts Historical Commission, and its being recorded with the Southern Essex County District Registry of Deeds.

23. Extinguishment: Grantor and Grantee hereby recognize that an unexpected change in the conditions surrounding the Property may make impossible the continued Grantorship or use of the Property for the Purpose of this Restriction and necessitate extinguishment of the Restriction. Such a change in conditions may include, but is not limited to, partial or total destruction of the Building resulting from casualty. Such an extinguishment must meet all the requirements of the Act for extinguishment, including public hearings by the City of Newburyport and the Massachusetts Historical Commission to determine that such extinguishment is in the public interest. In the event of a sale of the Property, net proceeds of sale shall be paid to Grantor.

24. Condemnation: If all or any part of the Property is taken under the power of eminent domain by public, corporate, or other authority, or otherwise acquired by such authority through a purchase in lieu of a taking, Grantor and Grantee shall join in appropriate proceedings at the time of such taking to recover the full value of those interests in the Property that are subject to the taking and all incidental and direct damages resulting from the taking. All expenses reasonably incurred by Grantor and Grantee in connection with such taking shall be paid out of the recovered proceeds. Such recovered proceeds shall be paid to Grantor.

25. Interpretation: The following provisions shall govern the effectiveness, interpretation, and duration of the Restriction:

- a. Any rule of strict construction designed to limit the breadth of restrictions on alienation or use of the Property shall not apply in the construction or interpretation of this Restriction and this instrument shall be interpreted broadly to affect its Purpose and the transfer of rights and the restrictions on use contained herein.
- b. This instrument may be executed in two counterparts, one of which is to be retained by Grantor and the other, after recording, to be retained by Grantee. In the event of any disparity between the

counterparts produced, the recorded counterpart shall in all cases govern. Except as provided in the preceding sentence, each counterpart shall constitute the entire Restriction of the parties.

- c. This instrument is made pursuant to the Act, but the invalidity of such Act or any part thereof shall not affect the validity and enforceability of this Restriction according to its terms, it being the intent of the parties to agree and to bind themselves, their successors and their assigns in perpetuity to each term of this instrument whether this instrument be enforceable by reason of any statute, common law or private Restriction either in existence now or at any time subsequent hereto.
- d. Nothing contained herein shall be interpreted to authorize or permit Grantor to violate any ordinance or regulation relating to building materials, construction methods or use. In the event of any conflict between any such ordinance or regulation and the terms hereof Grantor promptly shall notify Grantee of such conflict and shall cooperate with Grantee and the applicable governmental entity to accommodate the purposes of both this Restriction and such ordinance or regulation.

If any court or other tribunal determines that any provision of this instrument is invalid or unenforceable, such provision shall be deemed to have been incorporated herein automatically to conform to the requirements for validity and enforceability as determined by such court or tribunal. In the event any provision invalidated is of such a nature that it cannot be modified, the provision shall be deemed deleted from this Preservation Restriction as though it had never been included herein. In either case, the remaining provisions of this instrument shall remain in full force and effect.

26. Amendment: If circumstances arise under which an amendment to or modification of this Restriction would be appropriate, Grantor and Grantee may by mutual written agreement jointly amend this Restriction, provided that no amendment shall be made that will adversely affect the qualification of this Restriction or the status of Grantee under any applicable law. Any such amendment shall be consistent with the protection of the preservation values of the Property and the Purpose of this Restriction; shall not affect its perpetual duration; shall not permit any private increment to any person or entity; and shall not adversely impact the overall architectural and historic values protected by this Restriction. Any such amendment shall be effective when the requirements of the Act with respect to amendments have been met and the amendment is recorded in the Southern Essex County District Registry of Deeds. Nothing in this paragraph shall require Grantor or Grantee to agree to any amendment or to consult or negotiate regarding any amendment.

27. Release: This Preservation Restriction is intended to be a restriction in gross in perpetuity and may only be released, in whole or in part, by the Grantee pursuant to the procedures for release established by the Act and otherwise by law, including approvals following public hearings by the City of Newburyport and the Massachusetts Historical Commission to determine that such a release is in the public interest.

28. Archaeological Activities: The conduct of archaeological activities on the Property, including without limitation survey, excavation, and artifact retrieval, may occur only following the submission of an archaeological field investigation plan prepared by the Grantor and approved in writing by the Grantee and the State Archaeologist of the Massachusetts Historical Commission (M.G.L. C. 9, Sec. 27C, 950 C.M.R. 70.00).

29. Subordination of Prior Liens: Grantor represents and warrants to Grantee that the Property is not subject to any mortgages, liens, or leases prior in right to this Restriction other than the following:

Mortgage from Michelle and Samuel Kimball to Fairway Independent Mortgage Corporation recorded with the Essex South District Registry of Deeds at Book 38650 Page 527.

Mortgage from Michelle and Samuel Kimball to PrimeLending recorded with the Essex South District Registry of Deeds at Book 40515 Page 297.

Grantor further represents and warrants to Grantee that:

- a. the loans which are secured by the mortgages referenced above will be paid in full by the Grantor and the mortgages will be discharged so that they will not have priority over this Preservation Restriction Agreement; and
- b. the Grantor will provide to both the Newburyport Planning Board and the Newburyport Historical Commission an opinion from an attorney which certifies that the Preservation Restriction Agreement has been recorded at the Essex South District Registry of Deeds and that it is not subject to nor subordinate to any existing or future mortgage(s) or liens of record.

IN WITNESS WHEREOF, the Grantor sets its hand and seal this ____ day of _____, 2022.

EXHIBIT A

Legal Description (Make sure this is correct)

The land in said Newburyport with the buildings thereon, being Parcel "A" on a plan entitled "Plan of Land in Newburyport, Mass. owned by Bertram T. French, Jr., dated Aug. 5, 1961, scale one inch (1) equals twenty feet (20) by Walter T. Martin, Registered Profession Engineer and Land Surveyor", and being more particularly described as follows, viz:

Parcel "A" Beginning at a nail in a stake on Merrimac Street in said plan at the southwest corner of this parcel "A" by land of Bertram T. French et ux and thence running Northwesterly by said Merrimac Street sixty-six and no hundredths (66.00) feet to a spike at the southeast corner of Merrimac Street and Union Court as shown on said plan; thence running northeasterly along said Union Court one hundred twenty-three and eighty-two one hundredths (123.82) feet to a spike in a cut off old fence post at the corner of Parcel "B" as shown in said plan; thence southeasterly fifty-eight and twenty-four one-hundredths (58.24) feet by said Parcel "B" shown on said plan to a spike at land of Bertram T. French et ux and a corner of said Parcel "B"; thence southwesterly one hundred fourteen and ninety-four one-hundredths (114.94) feet by land of Bertram T. French et ux as shown on said plan to the nail in the stake begun at.

Containing approximately 7366 square feet.

Also: Another parcel, Parcel B as shown on said plan. Beginning at a spike in a cut off old fence post shown in said plan at the northwest corner of this Parcel "B" also at a corner of Parcel "A" and thence running northeasterly by said Union Court one hundred twenty and thirty-nine one-hundredths (120.39) feet to a spike as shown on said plan. Thence running southeasterly from said spike on Union Court twenty-nine and fifty-one hundredths (29.51) feet to a spike at a corner on Merrimac Court. Thence running southwesterly by said Merrimac Court twenty-five and no one hundredths (25.00) feet to a nail in a stake at a corner of other land of Bertram French shown on said plan as Parcel "C". Thence running southwesterly by said Parcel "C" eighty-two and fifty-eight one-hundredths (82.58) feet to a corner at land of Bertram T. French et ux and continuing running on the same southwesterly course by the land of said Bertram T. French et ux thirty-six and fifty-eight one-hundredths (36.58) feet to a spike at the corner of Parcel "A" as shown on said plan. Thence running northwesterly by said Parcel "A" fifty-eight and twenty-four one-hundredths (58.24) feet to the spike in the old cut off fence post begun at.

Containing approximately 7007 square feet.

Subject to the Newburyport Zoning Laws.

Newburyport
 Address 344 Merrimac Street
 Historic Name Levi Carr House
 Original Residence
 Present Residence
 Ownership: Private individual
 Private organization
 Public
 Original owner Levi Carr

DESCRIPTION:

Date c. 1805
 Source Essex County Registry of Deeds
 Style _____
 Architect Unknown
 Exterior wall fabric Clapboards
 Outbuildings Garage and shed
 Major alterations (with dates) several additions at rear (dates unknown)

Moved _____ Date _____
 Approx. acreage 14,373 sq. ft.

Setting in residential area of late eighteenth and nineteenth century houses on the banks of the Merrimack River.

Recorded by Mary Jane Stirgwolt
 Organization Office of Community Development
 Date 01-04-80

ARCHITECTURAL SIGNIFICANCE (describe important architectural features and evaluate in terms of other buildings within community)

This two story house with pitched roof and symmetrical, five bay facade is an excellent example of the vernacular architecture built in Newburyport around the turn of the nineteenth century. Noteworthy features of the house include a large central chimney, simple Federal cornice moulding, and unusual, eared window lintels. The doorway is simple but is detailed with the pilasters and simple entablature characteristic of the period.

HISTORICAL SIGNIFICANCE (explain the role owners played in local or state history and how the building relates to the development of the community)

This parcel of land was purchased from George Burroughs by Jacob Whitmore in 1793. In 1801 when Whitmore sold the property to Levi Carr there was no house mentioned in the deed of sale. Carr was probably the original owner of this house.

In 1851 the owner of this house was Levi Carr, probably the son of the builder of the house. He was a shipcarpenter who was employed as a foreman by John Currier, Jr. for many years. The Currier shipyard was located on the riverbanks adjacent to this house. Carr was also part-owner of Carr's Island.

In 1872 Levi Carr still owned this house. Also in residence at that time was Charles H. Carr, also a shipcarpenter. Levi Carr died in 1876 at the age of eighty. At that time the house was willed to his heirs.

Architectural Description

According to the Massachusetts Historical Commission Inventory Form B for the property, the Levi Carr House at 344 Merrimac Street was constructed circa 1805. The house design is consistent with New England late Georgian style residences, with its rectangular plan, gable roof, symmetrical five-bay facade, center entry with prominent surrounds, and large central chimney (Photo 5). The Carr House (constructed ca.1805) is located roughly one mile to the northwest of the Newburyport downtown commercial district and sits just 700 feet southwest from the Merrimack River. Merrimac Street is the principal thoroughfare between the downtown center and Route 95 near the western edge of the city. The stretch of Merrimac Street in the vicinity of the Carr House is characterized by single-family historic homes from the 18th and 19th centuries (Photos 1 and 2). The same is true for Union Place, a narrow short lane running along the northwest side of the Carr House property (Photo 4), and Merrimac Court, another narrow lane leading to a cluster of houses behind (northeast of) the Carr House (Photo 3). Most of the homes in the immediate area of the Carr House are single-family residences, although a few, including the Carr House, have been converted to multi-family occupancy. The long narrow lot on which the Carr House stands includes 14,373 square feet of land and runs from Merrimac Street, along the length of Union Place, to Merrimac Court (Photo 32). The house is situated at the southwest end of the lot, fronting on Merrimac Street; the setback from Merrimac Street is roughly 15.5 feet (Photo 34). The property includes the house and two small outbuildings - a non-historic guesthouse (Photos 28 and 29) and a deteriorated shed structure (Photos 30 and 31). Although the house was converted to two condominiums, the exterior still reads as a single-family dwelling. The house has an irregular footprint due to several additions. The original rectangular main block is five bays wide, three bays deep, and enclosed by a gabled roof. As early as 1884 there was a small ell extending off the northwest end of the rear elevation (see attached map from 1884). This is likely the existing two-story gabled section with the granite ashlar foundation (Photo 13). A break in the foundation between the original main block and the ell suggests that the ell was not part of the original construction but was an early addition. A map from 1914 shows a second two-story rear addition, this one running the width of the main block (see attached map from 1914). This second addition was later enlarged widthwise (date unknown) to create the two-story rear addition with flat roof that exists today (Photo 22). The 1914 map also shows a single-story porch at the southeast elevation, located toward the rear of the house and adjoining the two-story rear addition. This porch is no longer extant, instead a one-story enclosed porch (likely a circa 1920s feature) runs along the southeast elevation of the main block (Photo 17). Finally, there are two more recent one-story additions projecting from either end of the rear elevation, creating a roughly U-shaped footprint for the building as a whole (Photo 22 and 23).

Main Block

The original main block rises two and one-half stories from a rough-cut stone foundation and is finished with painted clapboard siding with wood trim elements, in the form of narrow corner boards, roof cornice, water tables, window trim, and entry surrounds (Photo 5). The gabled roof of the main block is currently finished with asphalt shingles and features a prominent broad central chimney, which is centered on the roof ridge (Photo 7). The chimney is parged with concrete but is likely of brick construction. The roofline at the facade is defined by a shallow box cornice and prominent fascia (Photo 8); the eaves at the rear are obscured by the two-story addition. The side gables of the main block are defined by compound fascia boards with shallow returns (Photos 14 and 17). Modern aluminum gutters and downspouts were installed around the building. Windows of the main block are trimmed with painted flat wood trim (Photo 15), except at the facade where windows are topped by shallow hood moulds (Photos 10 and 11). Window openings hold a combination of historic wood double-hung windows and modern replacements, as noted below. All windows are covered by modern storm windows.

-----	-----

Principal Facade (Southwest Elevation)

The principal facade (southwest elevation) is five bays wide and laid out symmetrically around a central entry (Photo 9). The entry is framed by what appears to be the original surrounds, which consists of wide Tuscan pilasters supporting a tall entablature with dentil molding. The existing door is a fairly recent replacement. Access to the entry is by way of a modern poured concrete step. Window openings in the two northernmost bays of the facade hold modern replacement windows, while the remaining windows retain historic wood windows in a nine-over-six pane configuration at the first floor (Photo 10) and a two-over-one configuration at the second floor (Photo 11). Two small basement window openings (one on either side of the central entry) were likely added and are set within poured concrete window wells; the openings hold modern windows.

Side Elevations

The northwest elevation is three bays wide and finished with painted clapboards (Photo 13). Fenestration is asymmetrically arranged, with windows (two per floor) in the easternmost bays only. All window openings hold modern replacement windows (Photo 15). A modern vent is centered beneath the gable peak within an untrimmed opening.

The southeast elevation is finished with painted clapboards and is partially covered by a one-story enclosed porch and the two-story rear addition (Photos 17 and 18). Fenestration at the exposed upper levels of this elevation are similar to those at the northwest elevation, with a vent in the gable and windows in the two easternmost bays of the second floor. Here, the window opening in the central bay holds a historic two-over-one window, while the second opening has a one-over-one window that appears to be a replacement (Photo 20). The enclosed porch at the first floor was added after 1914. The porch is largely made up of grouped windows separated by slender mullions - two windows on the southwest wall and four on the southeast wall (Photo 19). These adjoining windows hold older wood two-over-one sashes. The porch is enclosed by a hip roof finished with asphalt shingles. The roof edge has shallow overhanging eaves with painted flat wood soffit and fascia boards.

Rear Ell (Northeast Addition)

Much of the rear ell is covered by later additions, however it is clearly discernible on the northwest side (Photo 13). The ell appears to have been constructed as a one and one-half story structure with a gable roof. It rests on a rough-cut granite ashlar foundation holding two small modern basement windows (Photo 16). The northwest elevation is finished with painted clapboards and features three asymmetrical windows, all of which hold modern replacement windows. A portion of the upper level was raised to create a full second floor with a single small window opening, which now holds a modern window.

Only the upper portion of the ell's northeast elevation is visible; the remainder is covered by a single-story shed addition (Photos 22). The exposed gabled wall of the ell is finished in painted wood shingles and trimmed with narrow corner boards and a compound fascia (Photo 13). A single window set beneath the gable peak holds a modern window.

The shed addition is a relatively recent feature, resting on a poured concrete foundation and featuring painted flat wood trim, modern windows, and a modern door on its southeast wall (Photos 23 and 26). Access to the entry is by way of an unpainted wood porch. The shed addition is finished with painted clapboards on the northwest wall and painted wood shingles elsewhere.

Area(s) Form No.

NWB	273
-----	-----

Most of the southeast wall of the ell is obscured by the two-story rear addition, however a narrow section of the wall remains exposed (Photo 26). This section of wall is finished with painted wood shingles and features a single window opening with painted flat wood trim and a modern window.

Two-Story Rear Addition

The two-story rear addition covers the rear (northeast) elevation of the main block and wraps around to cover a small portion of the southeast elevation as well (Photos 18 and 22). The rear addition has a flat roof, poured concrete foundation, painted flat wood trim, and a combination of painted wood shingle siding (northeast elevation) and painted clapboards (southeast elevation). A slender brick chimney projects from the roof (Photo 27). Fenestration at the rear elevation of the addition is asymmetrical, with window openings of varying sizes and configurations, including single and paired windows. Most openings hold older two-over-one wood windows, although two windows have one-over-one sashes (Photos 24 and 25). The southernmost half of the addition has a narrow fascia board at the roofline, while the northern half has no visible trim along the roof edge (Photo 25). A portion of the rear addition at the southernmost end is covered by a fairly recent one-story shed addition with a cross gabled bay (Photo 22). This small addition has a combination of painted wood shingles and clapboards, painted flat trim, and contemporary windows. The one-story addition has an entry at its southeast wall; the entry holds a modern door and screen door (Photo 21).

EXHIBIT E

RESTRICTION GUIDELINES ATTACHMENT TO PRESERVATION RESTRICTION AGREEMENT

The purpose of the Restriction Guidelines is to clarify paragraph 5 of the terms of the Preservation Restriction, which deals with alterations to the Premises, including the Building. Under this paragraph, permission from the Commission is required for any major alteration. Alterations of a minor nature, which are part of ordinary maintenance and repair, do not require Commission review.

In an effort to explain what constitutes a minor alteration and what constitutes a major change, which must be reviewed by the Commission, the following list has been developed. By no means is this list comprehensive: it is only a sampling of some of the more common alterations, which may be contemplated by building owners.

PAINT

Minor – Exterior hand scraping and repainting of non-decorative and non-significant surfaces as part of periodic maintenance.

Major – Painting or fully stripping decorative surfaces or distinctive stylistic features including ornamental, decorative or significant woodwork.

WINDOWS AND DOORS

Minor – Regular maintenance including caulking, painting and necessary reglazing. Repair or in-kind replacement of existing individual decayed window parts.

Major – Wholesale replacement of units; change in fenestration or materials; alteration of profile or setback of windows. The addition of storm windows is also considered a major change; however, with notification it is commonly acceptable.

EXTERIOR

Minor – Spot repair of existing cladding and roofing including in-kind replacement of clapboards, shingles, slates, etc.

Major – Large-scale repair or replacement of cladding or roofing. Change involving inappropriate removal or addition of materials or building elements (i.e., removal of chimneys or cornice detailing, existing and original corner trim, roof edge trim, the new replicated window trim, entry roof pediments and the original restored front and side doors; installation of architectural detail which does not have a historical basis); altering or demolishing building additions; spot repointing of masonry. Structural stabilization of the property is also considered a major alteration.

Changes classified as major alterations are not necessarily unacceptable. In fact, approval of such changes shall not be unreasonably withheld. Under the Preservation Restriction such changes must be reviewed by the Commission and their impact on the historic integrity of the Building assessed.

It is the responsibility of the property owner to notify the Commission in writing when any major alterations are contemplated. Substantial alterations may necessitate review of plans and specifications.

The intent of the Preservation Restriction is to enable the Commission to review proposed alterations and assess their impact on the integrity of the structure, not to preclude future change. The Commission will attempt to work with property owners to develop mutually satisfactory solutions that are in the best interests of the Premises.

EXHIBIT F

Grantor's Proposed and Granted Changes – Final Restoration Plan for Levi-Carr House at 344 Merrimac Street, Newburyport, MA

- Window Replacement** – All the windows located on the Merrimac Street and Union Place façades of the Levi-Carr House will be replaced using a Green Mountian, double-hung, SDL wood windows. The windows will replicate federal style mullions, include spacer bars and applied mullions, concealed jamb-liners, and a half screen. The windows will be sized to fit the existing openings and include the mullion patterns as shown in Figures 1 & 2. One (1) existing 2/1 wood window from the second floor of the Merrimac Street facade will be relocated to replace the 1/1 second floor wood window on the side porch. The first floor 2/1 windows in the porch addition shall be retained in-place. All other windows on the side and rear elevations may subsequently be replaced provided the size of the openings remain the same and the Green Mountian replacement window is used with the same mullion pattern to match the front facades on Merrimac Street and Union Place.

Figure 1A - Window Replacement on the Merrimac Street Facade

Figure 1B - Window Replacement on the Union Place Facade

2. **Window Casing** – The existing window casing shall be restored or repaired and shall remain in place. Care will be taken to maintain and preserve the moldings and trim on the casing as shown in Figure 2.

Figure 2 – Existing Window Casing on the Merrimac Street Facade

3. **Front Entryway and Door** – The existing arts and crafts door will be replaced with a federal-style door. Figure 3 shows an example of a federal-style door. Prior to installation, the applicant will provide the Chairman of the Historic Commission information, including but not limited to images, of the proposed federal-style door. The lighting and mailbox will also be consistent with a federal style fixture and mailbox.

Figure 3 – Example Federal-Style Door Replacement

4. **Chimney Repair** – The existing central chimney will be repaired as needed and remain parged above the roofline. The Preservation Restriction will be expanded to include preservation of the entire central chimney from the basement (within the structure) to its termination above the roofline.

Figure 4 – Chimney Repair and Full Preservation (including the Interior)

5. **Front Step and Walkway** – The existing concrete sidewalk will remain in place and the front concrete step will be replaced with a smooth faced granite step.

Figure 5 – Walkway Preservation and Step Replacement

6. **Shutters** – Wood shutters (with federal-style pintels and dogs) will be added to all the windows on the Merrimac Street façade. The shutters shall be operable and sized to fully-enclose the windows as shown in Figure 6.

Figure 6 – Example of Federal-Style Shutters

7. **Gutters and Downspouts** – The existing aluminum gutters and downspouts along the Merrimac Street façade will be replaced with copper half-round gutters and round downspouts as shown in Figure 7.

Figure 7 – Examples of Gutters and Downspouts

8. **Soffit, Trim and Clapboards** – As shown in Figures 8A and 8B, the existing wood clapboards will be repair and replaced where needed and scarf joints shall be used. All soffit, crown molding or trim repair shall be a restoration, repair of a replacement in-kind.

Figure 8A – Soffit and Trim Repair

Figure 8B – Clapboard Repair

9. **Fencing** – The existing wood privacy fence shall be replaced with a cedar privacy fence no taller than 4 feet with a top rail as shown in Figure 9.

Figure 9 – Proposed 4 Foot Cedar Fence

10. **Rear Shed** – As shown in Figure 10, the existing rear shed will be removed due to its dilapidated condition.

Figure 10 – Rear Shed to be Removed
