Site Plan Review

Dear Board Members:

I have reviewed the most recent engineering submittals for the above referenced project including:

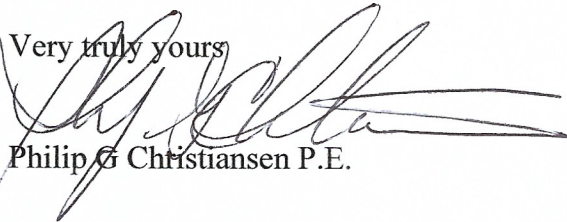

Meridian Associates February 6, 2020 response to my comments of January 18, 2020

Permit Site Development Plans, 93 State Street, Meridian Associates, February 6, 2020

Project Narrative and Stormwater Report, Meridian Associates, Rev. February 6, 2020

I find that the engineers have responded satisfactorily to my review and recommend the plans as revised of February 6, 2020 be approved.

Very truly yours

Philip G. Christiansen P.E.
