RE: 20 Atwood Street / One Story Addition and New Shed

Dear Chair and members of the Board:

I have been provided with plans for the construction of a two part one story addition on the existing home at 20 Atwood Street along with the proposal to remove the existing sheds and in their place build a new larger shed.

The proposed additions are modest and appropriate for the home and the neighborhood. Additionally, the new shed is in keeping with other similar setbacks in the neighborhood. Finally, the buildings as compared to the lot areas is also similar to the area and would not be detrimental to the neighborhood.

I have no objection to the proposed construction and improvement of this property.

Sincerely,

Address: 18 Atwood St.
