Re: 20 Atwood Street – One Story Addition and New Shed
18 June 2021

Dear Chair and members of the Board:

My wife Linda and I are direct abutters of 20 Atwood as we are long time owners of 22-24 Atwood Street next door. We have reviewed the plans and have no problem with them. If I have the opportunity to speak in favor on the 22nd via Zoom I will do so.

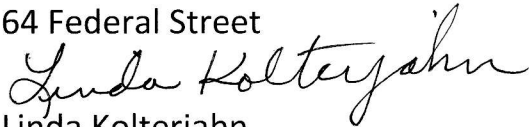

The proposed construction is minimal and does not seem in any way detrimental to the neighborhood. Our neighbors are conscientious, thoughtful and caring people. We wish them the best on this project.

Sincerely,

Thomas Kolterjahn
