Hi Katlyn and Jamie.

I finally got a chance to take a look at this. There are mature trees at both 22/24 Olive as well as 10 Briggs. I would not recommend any additional trees at either site.

Thanks so much. Sorry for the delay.

Cheers,
Connie

Hi Jamie and Connie-

Can I please have your Tree and Sidewalk recommendation's for the following properties:

10 Briggs Ave (does not appear to have sidewalks at the site and it appears that there are existing trees along the street)

22-24 Olive Street (see proposed site plan [here](#))

Thank you!
Katelyn
