Re: Request for Determination of Historic Significance; Roof Line Change
39 Harbor Street, Newburyport, MA (the "Property")
Assessor's Map: 77 Lot: 16

Dear Chair and Members of the Commission:

Reference is made to the above-captioned matter. In that connection, this firm represents Joseph and Kristine Collins (the "Applicants"), the owners of the Property, relative to the construction of a second-floor addition to a single-family residence (the "Structure"). The Property is on the Commission's June 11, 2020 agenda for a request for determination of historic significance and a roof line change.

The Applicants have since proposed a new roof over the entry door, as shown on the revised proposed elevation plan attached hereto. The proposed new roof over the entryway is more pitched than the existing roof and has an overhang of 3 feet providing coverage over the steps leading to the door.

We look forward to presenting the project at the Commission's next meeting.

Respectfully submitted,
Joseph and Kristine Collins
By their Attorney
