RE: 3 57th Street

Dear Chair and Members of the Board;

I am an abutter to the property noted above. I have been provided with plans which show the removal and reconstruction of a new home in conformance with flood standards. I am not opposed to the proposed removal and reconstruction and do not believe it will be substantially more detrimental to the neighborhood or to Plum Island than the existing structure. Indeed, I think, given the new construction on pilings it will be more beneficial to Plum Island.

Sincerely,

Brian Padellaro
