RE: Request for Demolition Permit; Application for Special Permit for Non-Conformities
3 Hancock Street, Newburyport, Massachusetts

Dear Chairs Richards and Ciampitti, and members of the Newburyport Historical Commission and Newburyport Zoning Board of Appeals;

I have been provided with plans to raise part of the roof of the existing home at 3 Hancock Street by twenty (20) inches. The proposed project will be in keeping with the neighborhood and in fact enhance the area. I have no objection to the proposed project and believe that as compared to the existing structure and condition of the property the proposal will not be more detrimental to the neighborhood.

Sincerely,

Andrew Graw
