Hi Newburyport Zoning Board of Appeals,

We are abutters to 60 Liberty St. and are aware of the restoration project that is proposed and being designed and built by Michael Graf on behalf of the Ahernes. It is a thoughtful, well designed and historically considerate plan. We fully support the project and are confident it will add value to the neighborhood and the city. Thank you for your time and consideration.

Sincerely,
Andrew and Olivia Boger

Text received 4/7 From Eve Lee (64 Liberty)

Hey Cynthia! My name is Eve Lee. I live at 64 Liberty (the blue house next door) - and it looks like we're going to be neighbors! Many thanks for the communication about your project. Your plans look fabulous! I'm beyond excited about your renovation. Please let me know how I can support your process. Coincidentally, I'm just starting to work with an architect on some plans for a project of my own. Once I get a little farther along, I'd love to share them with you. Looking forward to meeting you - and your husband. This is such a great spot. You're going to love it!

Best,

Michael
