Hi guys.

I am at 60 Liberty and whatever they're going to do is going to be a huge improvement over what is there now.

The sidewalk is asphalt and in very rough shape. There is room for one small tree in front of the house.

It would be a very welcome addition to a street with very few trees.

Let me know if you have any questions.

Best,
Connie

Hi Connie and Jamie-

A project going to the ZBA for approval triggers the Tree and Sidewalk Ordinance at **60 Liberty Street**. Can you please send me your recommendations?

Thank you,
Katelyn
