Hi Katelyn,
We reviewed the plan for 7 Morin and the relocation and configuration of the underground infiltration looks good.
Thanks!
Diane

Subject: 7 Morin Road

Hi Jon-Eric and Diane-

A homeowner in the Oleo Woods development at 7 Morin Road is looking to add a rear addition and deck to be added to the property. The applicant also proposes the relocation and reconfiguration of the underground infiltration system. Please see the site plan [here](#). Do you need to review this? The applicant will go to the Planning Board on 7/7 for the project.

Katelyn
