A 3D architectural rendering of a two-story house, identified as the 'Alternate Front'. The house features grey horizontal siding and white trim around the windows and roofline. It has a gabled roof with a prominent front-facing dormer window. The front facade includes a covered porch with white columns and a white railing. The porch has a blue door and a window. To the right of the porch, there is a set of stairs leading to a second-floor balcony with a white railing. The house is surrounded by a green lawn, a paved walkway, and various landscaping elements including pink and purple flowers and shrubs. In the background, there are trees with autumn foliage in shades of orange, red, and yellow under a clear blue sky.
