Hi Carol –

Please forward us (*Katelyn and Dianne copied here*) the current listing and a link to the petition itself, or at least the text of it. We are happy to forward this info to the Board along with the others we have received to date. I presume you will make reference to this petition at the continued public hearing (*during public comment*)?

Best –  
Andy

Hi Andrew,

An online petition was created on Sunday and has generated 84 signatures in 48 hours! All these people are joining us in opposition to the size of the proposed development at 22-24 Olive Street. The numbers continue to grow but i didn't want to wait any longer in getting this submitted to you. Would you like me to send a spreadsheet of the 84 names? Or a link to the petition on change.org ? Whatever is easiest i'm happy to do.

Thank you!

Carol Zamprogna

Newburyport ZBA, we urge you to

- Agree that the additional, nearly 2000 sq ft structure being proposed at the corner of Olive and Russia street is significantly detrimental to the neighborhood

- Listen to the abutters and neighbors who believe that permitting Responsible development is one thing - allowing mcmansions is another!
