WHEREAS, the Grantor has applied for Dimensional Variances pursuant to Section X-H-6 of the Newburyport Zoning Ordinance and as a condition of said Variance the Grantor has agreed to impose a restriction on the Buildings and Landscape of the Essex County Gaol (c.1825) for the preservation and renovation of the aforementioned Buildings and Landscape, under the terms and conditions set forth herein and in such other documents as the parties may execute (the “**Restriction**” or “**Preservation Restriction**”);

WHEREAS, the Grantor, in further consideration of the receipt of such Variances and to ensure the preservation of the aforementioned Buildings and Landscape of the Essex County Gaol (c.1825), agrees and desires to impose certain restrictions, obligations and duties upon itself, its successors and assigns, so as to maintain, protect and preserve the architectural and historical integrity of the Buildings and Landscape;

WHEREAS, the preservation of the Buildings and Landscape of the Essex County Gaol (c.1825) is important to the public for the enjoyment and appreciation of their architectural and historical heritage and serves the public interest; and

WHEREAS, the Commission is authorized to accept preservation restrictions in the name of the City of Newburyport and the Commission is a governmental body duly organized under the laws of the Commonwealth of Massachusetts, including the General Laws, Chapter 40, Section 8D, authorized and directed by the Grantee to manage the Buildings and Landscape of the Essex County Gaol (c.1825) burdened by such restrictions and to administer and enforce this Restriction;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor does hereby irrevocably grant and convey to the Grantee in gross this Restriction over the exterior of the Buildings and Landscape of the Essex County Gaol (c.1825) to be administered, managed and enforced by the Commission during the Term of this Restriction.

1. Purpose: It is the Purpose of this Restriction to assure that the architectural, historic, and cultural features of the exterior of the Buildings and Landscape of the Essex County Gaol (c.1825) will be retained and maintained during the Term substantially in their current condition or in a restored condition approved by the Commission for preservation purposes and to prevent any use or change of the exterior of the Buildings and Landscape of the Essex County Gaol (c.1825) that will significantly impair or interfere with the Building’s and Landscape of the Essex County Gaol (c.1825) preservation values or alter views of the exterior of the Buildings and Landscape of the Essex County Gaol (c.1825). It is the further purpose of this Restriction to recommend the preservation of the listed interior features, although such preservation is not mandated by or enforceable under this Restriction. Grantor agrees at all times to maintain the exterior of the Buildings and Landscape of the Essex County Gaol (c.1825) in accordance with this Restriction and in

compliance with all federal, state and local laws, codes and by-laws applicable to the Buildings and Landscape of the Essex County Gaol (c.1825). Grantor's obligation to maintain shall require repair, reconstruction and, where necessary, replacement in kind whenever necessary to preserve the Buildings and Landscape of the Essex County Gaol (c.1825) in a good, sound and attractive condition and state of repair.

2. Preservation Restriction: Grantor hereby agrees to maintain the existing and original features listed under Exhibit C and shown on Exhibit E.
3. Indemnification: Grantor hereby agrees to pay, protect, indemnify, hold harmless and defend, at its own cost and expense, Grantee, its boards, commissions, appointees, agents, directors, employees, or independent contractors from and against any and all claims, liabilities, expenses, costs, damages, losses and expenditures (including attorneys' fees and disbursements hereafter incurred) arising out of or in connection with injury to or death of any person as a result of the existence of this Restriction; physical damage to the Buildings and Landscape; the presence or release in, on, or about the Premises, at any time, of any substance now or hereafter defined, listed, or otherwise classified pursuant to any law, ordinance or regulation as a hazardous, toxic, polluting or contaminating substance; or other injury or other damage occurring on or about the Buildings and Landscape; unless such injury, death, or damage is caused directly by Grantee or its boards, commissions, appointees, agents, directors, employees, or independent contractors. In the event that Grantor is required to indemnify Grantee pursuant to the terms of this paragraph, the amount of such indemnity, until discharged, shall constitute a lien on the Property with the same effect and priority as a mechanic's lien.
4. Written Notice: Any notice which either Grantor or Grantee may desire or be required to give to the other party shall be in writing, sent by overnight courier, registered or certified mail with return receipt requested, or hand-delivered:

Grantor: Charles and Gillian Griffin, 3 Vernon Street, Newburyport, MA 01913

Grantee: City of Newburyport, c/o Newburyport Historical Commission, Town Hall,
60 Pleasant Street, Newburyport, MA 01950

Each party may change its address set forth herein by a notice to such effect to the other party.

5. Notice from Government Authorities: Grantor shall deliver to Grantee copies of any notice of violation or lien relating to the Buildings and Landscape of the Essex County Gaol (c.1825) received by Grantor from any government authority within five (5) days of receipt by Grantor. Upon request by Grantee, Grantor shall promptly furnish Grantee with evidence of Grantor's compliance with such notice or lien where compliance is required by law.
6. Term of Restriction: The restrictions, obligations and duties set forth in this Restriction shall run with the Premises in perpetuity from the date on which this Restriction is recorded with the Essex South District Registry of Deeds (the "Term") and shall inure to

the benefit of the Commission and all parties claiming by, through or under the Commission and shall bind the Grantor and all parties claiming by, through or under the Grantor. The rights hereby granted to the Commission constitute the right of the Commission to enforce this Preservation Restriction Agreement during the Term. The Grantor hereby covenants for itself to stand seized and hold title to the Premises subject to the terms of this Restriction during the Term. This Restriction shall extend to and be binding upon Grantor and Grantee, their respective successors in interest and all persons hereafter claiming under or through Grantor and Grantee during the Term, and the words "Grantor", "Grantee" when used herein shall include all such persons. Any right, title, or interest herein granted to Grantee also shall be deemed granted to each successor and assign of Grantee and each such following successor and assign thereof, and the word "Grantee" shall include all such successors and assigns.

Anything contained herein to the contrary notwithstanding, the owner of the Property shall have no obligation pursuant to this instrument where such owner shall cease to have any ownership interest in the Property by reason of a bona fide transfer. The restrictions, stipulations and covenants contained in this Restriction shall be inserted by Grantor, verbatim or by express reference, in any subsequent deed or other legal instrument by which Grantor divests itself of either the fee simple title to or any lesser estate in the Property or any part thereof, including by way of example and not limitation, a lease of all or a portion of the Property. Notwithstanding anything to the contrary contained herein it is expressly agreed that upon the Grantor divesting itself of its title to the Premises its obligations pursuant to this Restriction shall cease and such obligations shall become the obligations of the Grantor's successor(s) in interest.

7. Extinguishment: Grantor and Grantee hereby recognize that an unexpected change in the conditions surrounding the Premises may make impossible the continued ownership or use of the Premises for the Purpose of this Restriction and necessitate extinguishment of the Restriction. Such a change in conditions may include, but is not limited to, partial or total destruction of the Buildings and Landscape of the Essex County Gaol (c.1825) resulting from casualty. Prior to such an extinguishment, a public hearing shall be held by the City of Newburyport to determine that such extinguishment is in the public interest. In the event of a sale of the Premises, net proceeds of sale shall be paid to Grantor.
8. Condemnation: If all or any part of the Premises is taken under the power of eminent domain by public, corporate, or other authority, or otherwise acquired by such authority through a purchase in lieu of a taking, Grantor and Grantee shall join in appropriate proceedings at the time of such taking to recover the full value of those interests in the Premises that are subject to the taking and all incidental and direct damages resulting from the taking. All expenses reasonably incurred by Grantor and Grantee in connection with such taking shall be paid out of the recovered proceeds. Such recovered proceeds shall be paid to Grantor.
9. Interpretation: The following provisions shall govern the effectiveness, interpretation, and duration of the Restriction:

a. Any rule of strict construction designed to limit the breadth of restrictions on alienation or use of the Premises shall not apply in the construction or interpretation of this Restriction and this instrument shall be interpreted broadly to affect its Purpose and the transfer of rights and the restrictions on use contained herein.

b. This instrument may be executed in two counterparts, one of which is to be retained by Grantor and the other, after recording, to be retained by Grantee. In the event of any disparity between the counterparts produced, the recorded counterpart shall in all cases govern. Except as provided in the preceding sentence, each counterpart shall constitute the entire Restriction of the parties.

c. It is the intent of the parties hereto to agree and to bind themselves, their successors and their assigns to each term of this instrument for the Term of this Restriction, whether this instrument be enforceable by reason of any statute or common law either in existence now or at any time subsequent hereto.

d. Nothing contained herein shall be interpreted to authorize or permit Grantor to violate any ordinance or regulation relating to building materials, construction methods or use. In the event of any conflict between any such ordinance or regulation and the terms hereof Grantor promptly shall notify Grantee of such conflict and shall cooperate with Grantee and the applicable governmental entity to accommodate the purposes of both this Restriction and such ordinance or regulation.

If any court or other tribunal determines that any provision of this instrument is invalid or unenforceable, such provision shall be deemed to have been incorporated herein automatically to conform to the requirements for validity and enforceability as determined by such court or tribunal. In the event any provision invalidated is of such a nature that it cannot be modified, the provision shall be deemed deleted from this Restriction as though it had never been included herein. In either case, the remaining provisions of this instrument shall remain in full force and effect.

10. Amendment: If circumstances arise under which an amendment to or modification of this Restriction would be appropriate, Grantor and Grantee may by mutual written agreement jointly amend this Restriction, provided that no amendment shall be made that will adversely affect the qualification of this Restriction or the status of Grantee under any applicable law. Any such amendment shall be consistent with the protection of the preservation values of the Premises and the Purpose of this Restriction; shall not permit any private inurement to any person or entity; and shall not adversely impact the overall architectural and historic values protected by this Restriction. Any such amendment shall be effective when the amendment is recorded in the Essex South District Registry of Deeds. Nothing in this paragraph shall require Grantor or Grantee to agree to any amendment or to consult or negotiate regarding any amendment.

11. Release: This Preservation Restriction is intended to be a restriction in gross binding for

the Term and may only be released, in whole or in part, by the Commission in accordance with any applicable laws, ordinances, rules and regulations.

12. Revised Baseline Documentation: Following the substantial completion of the restoration and rehabilitation of the Buildings and Landscape of the Essex County Gaol (c.1825), Grantor shall record promptly a new, comprehensive set of high resolution photographic documentation depicting the exterior of the Building, said photographic documentation to be filed with and maintained by the Commission in archival print and digital format at the Newburyport Historical Commission, in care of the City of Newburyport, Office of Community and Economic Development, 60 Pleasant Street, Newburyport, MA, 01950, together with a numbered list of photographs indicating photographic view and date taken, said documentation to be used in the administration and enforcement of the purposes and terms of this Restriction.

13. Mortgage Subordination: Grantor represents and warrants to Grantee that the Premises are not subject to any mortgages, liens, or leases prior in right to this Restriction. Grantor agrees not to enter into or permit other mortgages, liens or leases affecting the Premises prior in right to this Restriction.

RESTRICTION GUIDELINES

ATTACHMENT TO PRESERVATION RESTRICTION AGREEMENT BETWEEN THE CITY OF NEWBURYPORT AND CHARLES AND GILLIAN GRIFFIN

The purpose of the Restriction Guidelines is to clarify paragraph three of the terms of the Preservation Restriction, which deals with alterations to the Buildings and Landscape of the Essex County Gaol (c.1825). Under this paragraph, permission from the Commission is required for any major alteration. Alterations of a minor nature, which are part of ordinary maintenance and repair, do not require Commission review.

In an effort to explain what constitutes a minor alteration and what constitutes a major change, which must be reviewed by the Commission, the following list has been developed. By no means is this list comprehensive: it is only a sampling of some of the more common alterations, which may be contemplated by building owners.

PAINT

Minor – Exterior hand scraping and repainting of non-decorative and non-significant surfaces as part of periodic maintenance.

Major – Painting or fully stripping decorative surfaces or distinctive stylistic features including ornamental ironwork, stone, decorative or significant woodwork.

WINDOWS AND DOORS

Minor – Regular maintenance including caulking, painting and necessary reglazing. Repair or in-kind replacement of existing windows.

Major – Wholesale replacement of units with a change in fenestration or materials; alteration of profile or setback of windows.

EXTERIOR

Minor – Spot repair or replacement of existing masonry and roofing including in-kind replacement of shingles, slates, stone, etc.

Major – Large-scale repair or replacement of window openings, stonework, or roofing. Change involving inappropriate removal or addition of materials or building elements (i.e., removal of stone chimneys or cornice detailing; or altering or demolishing building additions. Structural stabilization of the property is also considered a major alteration.

Changes classified as major alterations are not necessarily unacceptable. In fact approval of such changes shall not be unreasonably withheld. Under the Preservation Restriction such changes must be reviewed by the Commission and their impact on the historic integrity of the Buildings and Landscape of the Essex County Gaol (c.1825) assessed.

It is the responsibility of the property owner to notify the Commission in writing when any major alterations are contemplated. Substantial alterations may necessitate review of plans and specifications.

The intent of the Preservation Restriction is to enable the Commission to review proposed alterations and assess their impact on the integrity of the structure, not to preclude future change. The Commission will attempt to work with property owners to develop mutually satisfactory solutions that are in the best interests of the Premises.
