RE: DEP 51-957

F 17841
3 H STREET
NEWBURYPORT, MA

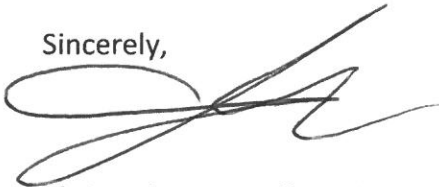

Dear Mr. Teixeira:

Please be advised I have completed an As Built survey of the above referenced project.

I find the work in substantial compliance with the plan. The following deviations have been noted.

1. Spiral stairs not constructed, stairway added under west side deck within approved footprint
2. Driveways are narrower.
3. Propane tanks have been added.

Sincerely,

Christopher R. Mello, PLS
President
