Re: Brown Street Extension

DePiero LLC is requesting to be placed on the Planning Board Agenda for the review and release of funds being held in the Tripartite agreement (approx. \$96k).

Paving is complete, and bounds are scheduled to be completed by end of day Wednesday, November 22, 2017, and as-builts will be complete.

We will confirm that bounds are complete early next week.

Thank you for your attention to this matter.

Sincerely,

Mark DePiero
