Hi Katelyn;

For Historical Commission Glen Richards. Thank you.

We - Ghlee Woodworth and Skip and Marge Motes (local history authors and reserachers) do Not support Jay Hyland's shipbuilding memorial and Donald McKay statue. Newburyport has 150 year old shipbuilding history which needs to be included in any celebration of this theme on the waterfront.

Attached is local historians Skip and Marge Motes' critique of Jay Hyland's CPA proposal.

We talked and I agree with all the points included in their critique. I don't want to write another response and be repetitive.

The process needs to follow the appropriate steps and the community and waterfront stakeholders need to be involved at the appropriate time.

Thank you,

Ghlee Woodworth
