RE: UPDATES

IN HOME UNIT INSPECTIONS

Under the direction and guidance of
The Department of Housing and Community
Development

**IN UNIT INSPECTIONS can and will resume
beginning in August.**

This means that annual inspections will begin as well as health and safety inspections. Strict protocols will be in place to ensure safety and in some instances residents will be required to vacate their home for a short period however all of this will be done to ensure the safety of residents, staff and inspectors.

Notices with details will be sent to homes with upcoming inspections.

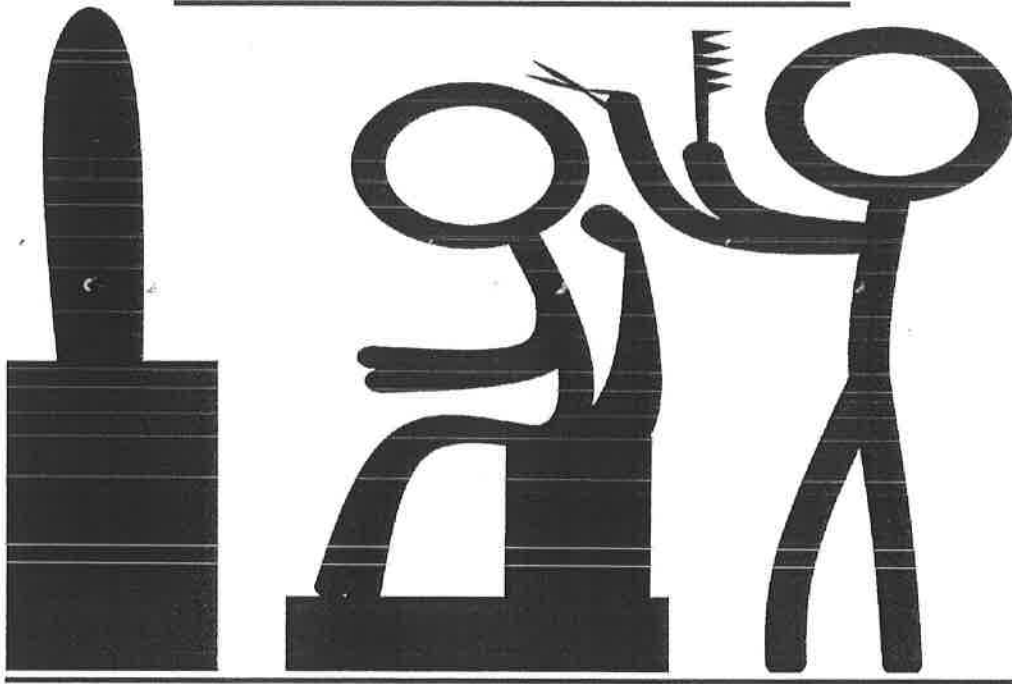

Resident Service Coordinator

I am more than pleased to announce that in conjunction with the Amesbury, Merrimac and West Newbury Housing Authorities a new regional Resident Services Director will be joining our team this month!!

The RSC will provide crisis intervention, assessment, referral, advocacy, and supportive services to residents within our region. The RSC will also plan, coordinate and evaluate programs provided for residents and will work with community social service providers.

A more detailed memo regarding "office hours" and contact information will be forthcoming but please join me in welcoming Ms. Judith Hinkle to the team!

DENISE IS RETURNING!

Denise will be returning toward the end of the month to begin hair dressing services again! We are thrilled that we can bring her back and I am sure residents will be too! There will be strict enforcement of safety measures and precautions but we are happy to be able to once again offer this service to residents! Please keep an eye out for details regarding Denise's return. We will be providing detailed information. Residents will need to adhere to all rules and regulations so once delivered please take the time to read all info.
