

North Shore

2018 Spring Cleanup

Beaches, Rivers, Marshes, Parks

This cleanup campaign is a collaborative initiative presented by ACES (Alliance of Climate and Environmental Stewards) on behalf of the noted stewardship organizations. Promotional Allies: C-10 Foundation, FRS Climate Action Project, Merrimack River Watershed Coalition, Merrohawke Nature School, Storm Surge

Please join one of these efforts to help create a cleaner, healthier environment after the extreme weather of early 2018.
