

Transcripts/Minutes Economic Development Stakeholder Meetings

Provided by: Andrew Levine, Chief of Staff

Below, are links to the Zoom recordings of the three Economic Development Stakeholder meetings, as requested by the Council. These meetings were a part of the data gathering done by the consultant team, and other tasks included interviews, focus groups, and the Community Forum held at the Senior Community Center. The Report the consultants released is the best summary of their work product, as it consisted of a significant amount of data collection and stakeholder input. The report can be found here: <https://www.cityofnewburyport.com/mayors-office/pages/economic-development-strategy>

The recording of the first meeting, which was made just for one attendee and is not high quality, is here:
