**HOURS WORKED July 1, 2022 through June 30, 2023**

Print Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Department(s): \_\_\_\_\_

Month(s) \_\_\_\_\_

| Date | Task(s)<br>(optional) | # Hours Worked<br>(in .25 hours) | Cumulative Total<br>(in .25 hours) |
|------|-----------------------|----------------------------------|------------------------------------|
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |
|      |                       |                                  |                                    |

Please return all signed Tax Work-Off Log Sheets to the Newburyport COA Office no later than July 15, 2023. The benefit earned for hours worked during FY23 will be applied to the February 2024 Real Estate Tax Bill. The Tax Work-Off Log Sheet should be signed by both the participant and supervisor.
